Burning Sky

A Novel

John Darnton

This novel brings to life a nightmare scenario in the not-too-distant future when scientists undertake a misbegotten scheme to tame the power of the sun.

In *Burning Sky*, three generations of a family confront the life-and-death challenge of global warming. The first, a cantankerous climatologist, raises the alarm. The second, a brilliant scientist with a lust for power that spawns a dictatorship, constructs "the Cocoon," a stratospheric shield to deflect sunlight. When it cuts the Earth off from the blue sky and majestic stars and plunges our planet into an eternal miasmic fog, it is up to the third generation—the very son and daughter of the scientist—to try to overthrow him and dismantle his pernicious works.

In aiming to undo the damage of their ancestors, perhaps the younger generation can set humanity on a wiser course.

AUTHOR BIO

John Darnton has worked for forty years as a reporter, editor, and foreign correspondent for *The New York Times*. He was awarded two George Polk Awards for his coverage of Africa and Eastern Europe, and the Pulitzer Prize for his stories that were smuggled out of Poland during the period of martial law. He is a bestselling author whose previous novels include *Neanderthal* and *The Darwin Conspiracy*. He lives in New York.

Praise for *Burning Sky*:

"This compulsively readable and beautifully written novel has everything: a thrilling mystery, a sweeping family drama, and a profound look at human nature in the face of the most pressing threat of our time. Simply put, this is one terrific book."—David Grann, *New York Times* bestselling author of *Killers of the Flower Moon* and *The Wager*

"A haunting story about an all-too-possible future. It's a page-turner that's also a wake-up call."—Elizabeth Kolbert, Pulitzer Prize-winning author of *The Sixth Extinction*

"We're only just beginning to imagine the strange new world being brought into being by climate change—and what we may do in scrambling to adapt. Vivid and lyrical, imaginatively conceived and brilliantly plotted, *Burning Sky* sets a new standard for climate fiction. Vital."—David Wallace-Wells, *New York Times* bestselling author of *The Uninhabitable Earth*

"A riveting dystopian thrill ride. *Burning Sky* is not just a smart, speedy, scary novel, it's a profound warning about what can happen when science goes wrong. It's also a call to arms: We're going to have to pay rigorous attention and make real sacrifices—starting now—if we want our children to enjoy blue skies and green pastures. The stakes are only . . . life as we know it."—Joseph Klein, author of *Primary Colors* and *Charlie Mike*

"A major achievement—a future-facing tale about the future we all, on this planet, must face. John Darnton manages to yoke ancient and recent history to the fast-approaching horrors of climate catastrophe. He gives us a family story, a multi-generational saga of science and scientists run amok, as well as those brave few who rise up in opposition. This novel is itself a rainbow stretched across the sky."—Nicholas Delbanco, author of *Why Writing Matters*

Nothing Is Wrong

A Novel

Mark R. Thornton

This novel takes the reader on a journey into contemporary Tanzanian life in an honest and unsentimental way, from the bustling towns to its vast, dangerous wilderness.

Set in Tanzania, *Nothing Is Wrong* follows the lives of three people living on the fringes of society: a wayward vagrant, a curious Tanzanian girl, and Sal, a young American woman suffering from post-traumatic stress disorder from the war in Afghanistan. As their lives come together, their unlikely relationships grow until an act of violence triggers events that upturn their lives and send Sal on the run into the harsh wilderness of the Tanzanian interior. Despite the violence and pain they all face, the three are somehow able to find in each other compassion, light, and perhaps a second chance at a better life.

Nothing Is Wrong demonstrates the challenges faced by women veterans suffering from their time in combat, an issue widely overlooked. Its characters are diverse, both in background and experience, and they forge compelling relationships that cross cultural and economic barriers.

AUTHOR BIO

Mark R. Thornton, American-born, has spent twenty years as a wilderness guide in Tanzania, where he is active in conservation efforts. He is the author of *Kid Moses*, a hypnotically written book providing insight into the issues that affect modern Africa, hailed by *Booklist* as "stark, beautiful prose."

Praise for *Kid Moses*:

"I like *Kid Moses* very much! The prose is wonderfully quiet and controlled . . . very good writing indeed."—Peter Matthiessen, National Book Award winning author of *The Snow Leopard* and *Shadow Country*

"Thornton keeps an even tone with the kind of spare, austere language that reflects Moses's stoic attitude and prevents the book from turning maudlin or crusading. . . . [Kid Moses] is a little boy with big contradictions, well worth following on his safari."—*The New York Times Book Review*

"With the excitement of the archetypal perilous adventure, Thornton's stark, beautiful prose will hold readers in this story of a young boy's struggle to survive in Tanzania today. . . . It's the crisply evoked small moments in this tale of a homeless kid on the run that give the novel its remarkable power."—*Booklist*, starred review

"[Moses's] is a rough, tough life forthrightly told. . . . Highly recommended for all fiction readers."—*Library Journal*, starred review

"Thornton excels in showing a harrowing adult world through the eyes of a child who has been forced to grow up early. In the end, this is the rare work of fiction about childhood that refuses to admit any sentimentality into the narrative."—*Publishers Weekly*

"*Kid Moses* is a lyrical, touching and profound book."—*The Witness*, Durban, South Africa

"An open-ended odyssey, as restless and contemplative as a traveler in the trackless veld. . . . This is a wonderfully honest, unsentimental and brutal look at issues that are affecting Africa today."—*Cape Times*, South Africa

"An exquisite narrative, harrowing, yet poignant."—Bookslive

Dead Stars

Bruce Wagner

Bruce Wagner weaves together tales of desperation and depravity of the modern age in *Dead Stars*, his uproarious and sharply critical take on the obsessions of Hollywood.

Telma, the world's youngest breast cancer survivor, is threatened with obscurity by a four-year-old that's undergone a mastectomy. Reeyonna, a pregnant teenager, believes she will befriend Kanye West by auditioning for pregnant teenage porn. A photographer, Jacquie, rejuvenates her career by turning her lens toward dead babies. And Michael Douglas searches for purpose and meaning when his wife, Catherine, guest-stars on the television series, *Glee*.

Wagner gives a tour through the lowest depths of fame-seeking behavior and idolatry in what *The New York Times* called a "collagelike picture of Hollywood as a sewer of depravity."

AUTHOR BIO

Bruce Wagner has written thirteen novels and bestsellers, including the famous "Cellphone Trilogy," *I'm Losing You* (PEN USA finalist), *I'll Let You Go and Still Holding*, *Dead Stars*, *ROAR: American Master*, *The Oral Biography of Roger Orr*, *The Empty Chair*, and the PEN/Faulkner-finalist *Chrysanthemum Palace*. He wrote the screenplay for David Cronenberg's film *Maps to the Stars*, for which Julianne Moore won Best Actress at the Cannes Film Festival in 2014. In 1993, Wagner wrote and created the visionary mini-series *Wild Palms* for producer Oliver Stone and co-wrote (with Ullman) three seasons of the acclaimed *Tracey Ullman's State of the Union*. He has written essays and articles for the *New York Times*, *Artforum* and the *New Yorker*. He lives in Los Angeles.

I'm Losing You

Bruce Wagner

An epic novel that brings together a motley crew of characters, including porn stars in love, celebrity chore-whores, plotting dermatologists, masseurs, and shrinks, among many others cast in the debauchery of Hollywood.

I'm Losing You follows the rich and famous and the down and out as their lives intersect in a series of coincidences. A masterfully told story of decadence that examines the psychological complexities of Hollywood reality and fantasy, soaring far beyond the reaches of Robert Stone's *Children of Light* and Nathaniel West's *The Day of the Locust*.

Marvel Universe

Bruce Wagner

The Marvel Universe details the lives and deaths of Wagner's cast of characters: an orphaned billionaire, a black man wrongly convicted of murder, a schizophrenic child obsessed with the comic book character Wolverine, a cancelled TV star, and the love child of Elon Musk. Their intertwining stories take place during the pandemic, a year of tectonic social unrest, ushering in a new reality that surpasses anything any Hollywood franchise could hope to imagine.

The Met Gala & Tales of Saints and Seekers

Two Novellas

Bruce Wagner

The sacred and the profane come together with visceral force in Bruce Wagner's double feature, *The Met Gala & Tales of Saints and Seekers*. Wagner leads the reader beyond their comfort zone and then pulls them back into the light, performing a literary balancing act in his two novellas—one drenched in transgression while the other embarks on a journey of spiritual guidance.

The Met Gala follows a prominent family of influencers and would-be philanthropic socialites in the Hollywood hills as they spiral ever further away from reality. Candida is a young actress who sleeps with the “unhoused”—the ultimate charitable act—and her brother, Charlie, transitioned into womanhood at the age of eleven. Their mother and father have long been divorced but still come together to completely traumatize their daughters, ruining their lives, and destroying many others along the way.

Tales of Saints and Seekers is the *digestivo*, a collection of stories about the journey to enlightenment and the wisdom given by gurus along the way. Where *The Met Gala* pushes past boundaries and steps over the line, *Tales of Saints and Seekers* knows that there is no line at all, only characters who travel on their own paths, sometimes straying and other times going completely off the map.

Wagner is able to hold the dichotomy of the sacred and profane in one book, smearing them together, and ripping them apart. *The Met Gala & Tales of Saints and Seekers* is something that, once read, you won't stop thinking about.

"He is a visionary posing as a farceur." —Salman Rushdie

"Bruce Wagner writes really wonderfully about that whole milieu [of Hollywood] and its gothic vanity." —Emma Cline

"To say that [*Maps to the Stars*] deglamorizes the movie business is like saying that Upton Sinclair deglamorized the meat-packing industry... the medium of film allows Wagner to make his audience visualize (instead of merely imagine) the hallucinations that plague his characters." —Francine Prose

"Wagner is the James Joyce whose Dublin is Hollywood." —David Cronenberg

"If it was the promise of laughter that first drew me to Wagner's work, it is his language that has kept me hooked... Marveling at his comic and linguistic gifts, at his sheer storytelling verve – his ability to handle large ensembles of characters and keep numerous narrative balls in the air while at the same time shooting flames from his mouth and balancing a naked lady on his nose – I nevertheless introduce Wagner's work to my writing students with a caution: Don't try this at home." —Sigrid Nunez

Who Is Mary?

An Amish Romance

Linda Byler

The first book in a new Amish romance series by beloved novelist Linda Byler, an active member of the Amish church.

With her flaming red hair and inquisitive personality, Mary is a bit of an anomaly in her Amish community in western New York. She tries to join in the fun with the other youth as they gather for hymn singings and games, but she finds it all rather dull. None of the young men are interested in her and she's even less interested in them. With each passing year, she feels more and more out of place and stifled by life as a misfit in a rural Amish community.

When her aunt comes for a visit and suggests she return to Lancaster with her to help manage her bakery, Mary sees her opportunity for the change she's desperately craving. But her parents forbid her to go, her father convinced that leaving the family for the busy life of Lancaster will lead her down a path of destruction. Mary is deeply distressed, wanting to honor her parents' wishes and also knowing she can't stay trapped in their isolated community forever. At twenty-one, she's old enough to decide for herself, and yet it's painful to be at odds with her father. Will she go, despite her father's dire warnings? If she stays, will she just continue to disappoint her parents, asking too many questions and never finding a man to marry?

One thing is sure. Before she can even think about dating, she needs to figure out who she is and where she belongs. And that might require a boldness she didn't know she possessed.

Author Linda Byler is an active member of the Amish church and writes all her novels by hand with a pen and notebook. She offers a unique and fascinating look into Amish history and culture.

AUTHOR BIO

Linda Byler grew up Amish and is an active member of the Amish church today. She is the author of five bestselling fiction series, all set in the Amish world: Hester's Hunt for Home, Lancaster Burning, Sadie's Montana, Lizzie Searches for Love, and The Dakota Series. In addition, Byler has authored several standalone titles and Christmas romances. Linda writes all her novels by hand in a notebook and is also well known within the Amish community as a columnist for a weekly Amish newspaper.

Edge of the Wire

Scott Kenemore

A Science Fiction Thriller That Exposes Our Dependence on the Internet, Technology, and All Things Artificial.

An elite crew known as the Silkworms are sent to an unknown planet. Their mission is to wire the planet and incorporate it within the all-encompassing and all-knowing system of artificial intelligence called "The Goo." It's hard to remember a time before The Goo and even harder to imagine a future without it. This advanced system of artificial intelligence anticipates wants, needs, and desires and has an unfailing omniscience.

But when Rowe, a member of the Silkworm crew, discovers mysterious secrets beneath the surface of this unknown planet, his faith in The Goo begins to wane. One twist after another turns Rowe's mission into a quest for answers and a fight for survival.

Scott Kenemore's incredible style incorporates elements of horror and satire, making *Edge of the Wire* a triumph of the science fiction genre that delivers an entertaining yet thoughtful look at our modern condition and the existential crisis of the moment—artificial intelligence.

Praise for *Edge of the Wire* and Scott Kenemore:

"Brilliantly cinematic with twist after layered twist, *Edge of the Wire* is a novel that straps you in for a fantastic ride and keeps you guessing until the very end. It's Golden Age Sci-Fi meets The Matrix, with a danger level to rival Alien. You'll be thinking about this one for days after you turn the last page. This is the best SF novel I've read in years. Yeah, *Edge of the Wire* is that good."—John Everson, Bram Stoker Award-winning author of *The Night Mother*

"A thrilling mix of cerebral and survival sci-fi horror, Scott Kenemore's *Edge of the Wire* is a compulsively readable peek into the far future of humanity's dependence on AI technology, a ubiquitous force with a name—The Goo—that closely resembles "God" for a reason. Event Horizon meets Annihilation as we follow a crew of men to an alien planet where something terrible befell the previous ship that landed there, leaving its crew dead. The mysteries of the planet, however, contain more than the crew bargained for: mysteries that probe the very nature of consciousness and what it means to be human. This is thoughtful space horror at its finest."—Jo Kaplan, author of *It Will Just Be Us* and *When the Night Bells Ring*

"A master storyteller carefully guiding you through a dark descent into the unknown."—John Hornor Jacobs, author of *Southern Gods* and *A Lush and Seething Hell*

"Scott Kenemore expertly evokes the golden age of sci-fi to weave a bloody mystery as timely as our modern age."—Christopher Hawkins, author of *Downpour*

"Scott Kenemore writes with a deadpan wit that makes you keep turning pages." – The Cleveland Plain Dealer (for *Zombie, Ohio*)

"Kenemore creates an authentic sense of place and character. . .as well as wittily sustained tension throughout." – Publishers Weekly (starred review for *Zombie, Illinois*)

"I think Scott Kenemore might be one of the best literary stylists working in the horror field right now. Horror in the heartland has a new master scribe, and his name is Scott Kenemore!" – Joe McKinney, Bram Stoker Award-winning author of *The Savage Dead* and *Dog Days* (for *Zombie, Indiana*)

The Science of Superwomen

An Evolution from Wonder Woman to WandaVision

Mark Brake

Celebrate the rise of superwomen and discover the science behind the abilities of Wonder Woman, Scarlet Witch, Black Widow, Catwoman, and more!

Superhero fiction has been with us for almost a century; high-octane tales crammed with concepts and contrasting themes, from superpowers and the post-human, to masked vigilantes and immortality. In that time, superwomen have evolved from comic book caricatures (created by men, for men) to stronger representations of female power.

The Science of Superwomen looks at this evolution, from its hypersexualized origins to today's more nuanced diversity. Focusing on characters from *Star Wars* and *X-Men*, as well as the likes of Wonder Woman, Batgirl, Captain Marvel, Harley Quinn, Wednesday Addams, Doctor Who, and Buffy the Vampire Slayer, *The Science of Superwomen* explores the relationship between superhero film and fiction and the underlying science of our ever-evolving universe.

AUTHOR BIO

Mark Brake developed the world's first science and science fiction degree in 1999 and launched the world's first astrobiology degree in 2005. He's communicated science through film, television, print, and radio on five continents, including for NASA, Seattle's Science Fiction Museum, the BBC, the Royal Institution, and Sky Cinema. Mark also tours Europe with *Science of Doctor Who*, *Science of Star Wars*, and *Science of Superheroes* road shows.

The Reclaimed Woman

Love Your Shadow, Embody Your Feminine Gifts, Experience the Specific Pleasures of Who You Are

Kelly Brogan, MD with Elyssa Jakin

Reclamation isn't about taking back what was stolen and winning.

It's about owning what you've always had and ending the war inside.

New York Times bestselling author and published natural health reclamation advocate Kelly Brogan MD is back to push the envelope of discourse on self-ownership, authenticity, and sovereignty. This time, she has a message for all women: *you deserve to feel alive.*

Showcasing the reasons modern women are living hollow, unfulfilling, overwhelming, and complaint-filled lives, *The Reclaimed Woman* resolves the gaslight that says, *we should be enjoying the freedom hard-wrought by feminism, sexual liberation, and medication.*

Women are lost, we've been duped, and we've abandoned our true nature in exchange for seeming empowerment.

Masterful at offering women the permission to self-embrace, Brogan invites you to come home to yourself so that you can finally *experience the specific pleasure of who you are.*

This book offers a provocative perspective on feminine reclamation including the imperative to learn the skills of *self-safety* in order to embody creative expression. Using actionable steps based on the experience of her own heroine's journey, Brogan's "one stop shop" will help you claim the jewels from the cave of your shame, own your badness, and align with your desires. Refreshing, candid, and transformational, *The Reclaimed Woman* exposes all of the ways that women are outsourcing their power and living life from childhood wounds in business, mothering, and relationships.

If you feel like . . .

- you say no when you mean yes and yes when you mean no
- there's more to you but don't know how to access it
- you're confused about where sexuality belongs in your life
- you feel you need to explain yourself to others who question your decisions
- you partner with safe, nice guys or try to control dangerous ones
- you make yourself small to make other women comfortable
- you're bitter, jealous, resentful, and can easily describe women you can't stand
- even the celebratory moments feel a bit empty

. . . *The Reclaimed Woman* will shatter the glass ceiling of your too-small story, delivering you to your most audacious life.

Kelly Brogan, M.D. is a holistic psychiatrist, author of the New York Times Bestselling book, *A Mind of Your Own, Own Your Self*, the children's book, *A Time For Rain*, and co-editor of the landmark textbook, *Integrative Therapies for Depression*. She is the founder of the online healing program Vital Mind Reset, and the membership community, Vital Life Project. She completed her psychiatric training and fellowship at NYU Medical Center after graduating from Cornell University Medical College, and has a B.S. from M.I.T. in Systems Neuroscience. She is specialized in a root-cause resolution approach to psychiatric syndromes and symptoms.

Praise for Own Your Self:

"Kelly Brogan engages us in a courageous conversation about the epidemic of mental health issues in our society. Her work is an important part of the understanding that will set us free, at a time when an increasingly narrow interpretation of why such issues exist--and what we need to do to heal them--is as much a part of the problem as part of the solution." —Marianne Williamson, *New York Times* best-selling author of *A Return to Love*

"We are in an age where mental, emotional, and physical balance has become our highest value. *Own Your Self* gives you the best possible solution on how to change your mind, your body, and your life. Kelly Brogan, M.D., does an amazing job combining cutting-edge information along with the practical tools for you to live a healthier personal reality. Her clinical and holistic approach from years of experience in doing independent research as a successful psychiatrist will teach as well as inspire you to get real, get well, and get free." —Dr. Joe Dispenza, *New York Times* best-selling author of *You Are the Placebo: Making Your Mind Matter*

"Kelly Brogan calls you to make a change more profound than you ever thought possible--and gives you a supportive, insightful road map to guide you every step of the way." —Shefali Tsabary, PhD, *New York Times* best-selling author of *The Conscious Parent*

"Dr. Kelly Brogan is a voice of sanity and compassion for our healing crises. She sings into the heart of our buried wisdom, makes clear what's broken in the culture. And backing it with science, Kelly gives us the path to genuine healing and sovereignty." —Danielle LaPorte, creator of *The Desire Map* series

"If you want to work on releasing suppressed emotions, Dr. Brogan has given you the perfect guide in *Own Your Self*. She encourages you to listen to and honor your emotions--and any related physical symptoms--fully and deeply, so that you may find a permanent, healing solution that gets to the root of the problem." —Kelly Turner, PhD, *New York Times* best-selling author of *Radical Remission*

"A road map of relief for those yearning for authentic self-acceptance and long-lasting emotional freedom." —Matt Kahn, author of *Everything Is Here to Help You*

"A potent instrument of intellectual liberation and practical healing." —Charles Eisenstein, author of *The More Beautiful World Our Hearts Know Is Possible*

"Kelly Brogan is a true psychiatrist, a doctor of the soul, and a guide back home to your authentic self. Her synthesis of science, deep humanity, and practical tools for well-being are crystal clear and right on target." —Joan Borysenko, PhD, *New York Times* best-selling author of *Minding the Body, Mending the Mind*

"Kelly Brogan has, once again, boldly, dangerously, and clearly pushed the conversation forward on how we individually and collectively heal. . . . I am elated to have this work to refer to from here forward." —Kimberly Ann Johnson, author of *The Fourth Trimester*

Facing Madame X

Tools to Vanquish Negativity, Activate Your Feminine Power, and Become Unstoppable

Jamie Rose

How to Vanquish Negativity, Activate your Feminine Power, and Become Unstoppable

Jamie Rose is an author and life coach mentored by legendary therapist Phil Stutz, the *New York Times* bestselling co-author of *The Tools*, and subject of the hit Netflix documentary, *Stutz*. Now, through her book *Facing Madame X*, Rose brings a woman's perspective to his work.

One of Stutz's main teachings is that everyone has an inner enemy called "Part X"—the voice that says you're not enough, and you'll never succeed, so don't even try. For women, these messages are made more potent by a patriarchy that declares that they're not pretty, thin, young, smart, or polite as they could or should be. Rose labels the specifically pernicious way this "X" force attacks women as "Madame X."

Facing Madame X teaches readers how to identify and neutralize the inner saboteur that has suppressed, disconnected, or overpowered their potential. Through case studies of her clients and her own personal journey, Rose helps women to, finally, hear and trust their inner voice and connect to the archetypal spirit that is their birthright—the divine feminine—a powerful, creatively benevolent force that will help them reach their full, uniquely beautiful potential and create the life that always felt just beyond their grasp.

AUTHOR BIO

Jamie Rose has had an amazing career as an actress, teacher, and writer, but the work she has found most rewarding is sharing the dynamic Tools® and philosophical system developed by Dr. Phil Stutz. Mentored and trained by Dr. Stutz himself, Jamie has been practicing and teaching Stutz's work for over thirty-five years, helping everyone from performing artists, writers, and CEOs to overcome the psychological blocks that keep them from achieving their goals.

Throughout her career she has starred in films and performed on stages all over the world and guest-starred on *Criminal Minds*, *Jane the Virgin*, and *Grey's Anatomy*, to name a few. As an acting teacher, she has done workshops for television, film, and theater actors and consulted with authors, helping them prepare for readings and media appearances, with her seminars having been featured at the SAG Foundation and PEN America. Jamie Rose lives in Los Angeles with her partner, Bruce, and her cat, Fenway.

The Goddess Guide to Branding

Your Blueprint for Building an Abundant & Authentic Feminine Brand

Jane McCarthy

Branding is not only more fun with a goddess to guide you—it's also more powerful.

In *The Goddess Guide to Branding*, brand strategists Jane McCarthy and Kate McAndrew introduce you to eight ancient goddess archetypes and illustrate how their timeless energies are alive in successful brands today. They interview aspirational business owners and leaders who generously share what they've learned on their own brand building journeys. From there, they lead you through a series of exercises to build your brand's identity in a way that is both authentic to your company and attractive to customers.

You don't need an MBA or a background in marketing to "get" it. If you're starting your brand from scratch, this book is for you. If you're looking to enrich your existing brand, this book is for you. If you need to make a pivot and evolve your brand, this book is for you too.

This book is different—there isn't a sports metaphor in sight. This book is inspiring—it will shower you with ideas at every step. And this book is actionable—you will walk away with a complete brand blueprint.

Where's Your Buffalo?

A Recruiter's Guide to Getting the Career You Want, Earning What You're Worth, and Doing What You Love

Tom Johnston

A veteran recruiter helps create a business plan for your career.

Where's Your Buffalo? is a career management guide for any age and any career stage. It's a timely framework for finding, pursuing, and achieving employment that enables any reader to meet their professional and personal life goals. It's a practical path to help readers choose a career, get the job they want, earn what they are worth, and do what they love (or at least genuinely like).

Where's Your Buffalo? shares the methodology that author Tom Johnston has developed over 35 years as a search consultant at some of the world's most influential firms. This book will help readers identify their perfect career (their "Buffalo") and chart a course to reach it, including how to:

- Better understand your skills and talents
- Articulate what is important to you in a job and why
- Identify industries that will support what is important to you
- Determine your target destination (we can adjust course as conditions change)
- Research and understand the companies that can provide you with a path
- Build a targeted network to help you along the way
- Learn how to hunt for the job you want

Only 1% to 2% of people in the world will have the chance to be coached by an executive recruiter. *Where's Your Buffalo?* is your chance.

The Mentally Strong Leader

Build the Habits to Productively Regulate Your Emotions, Thoughts, and Behaviors

Scott Mautz

Manage yourself internally so you can lead better externally

Award-winning, bestselling author Scott Mautz defines mental strength as **the ability to self-regulate emotions, thoughts, and behaviors to achieve exceptional outcomes, despite adversity**. It's the leadership superpower of our times. Mentally strong leaders are confident and in control of themselves and their environment; they have endurance, are disciplined, and external stressors make their decision-making sharper. They're a safe port in a storm for their team.

The Mentally Strong Leader gives readers a mental exercise plan to become such a leader. Readers will walk away with a menu of over 50 proven tools they can choose from to build a tailored set of habits in six areas that will make them mentally stronger:

- Fortitude
- Decision-making
- Confidence
- Goal-focus
- Boldness
- Messaging

Inspired by Mautz's hit LinkedIn Learning course, "10 Habits of Mentally Strong People," his 25 years leading some of Procter & Gamble's multi-billion-dollar businesses, and over 30 years of studying this topic, *The Mentally Strong Leader* relies on mental models, data and research, habit-building science, and practical tools and exercises to create enduring understandings for readers. Mautz begins with a compelling explanation of the power of mental strength, and offers a Mental Strength Self-Assessment. He finishes, as he has in his past titles, like *Leading from the Middle*, and *Make it Matter*, by providing a Mental Action Plan (MAP) to help readers create their own, tailored practice.

"In this volume, Greg Garrison further develops his convincing ideas about leadership, ideas that weave together important academic texts with his own frontline industry experience and inspirational guidance. In doing so, Garrison provides the reader, whether or not a leader of a multinational corporation, leader of a start-up, or of a local community group with inspirational guidance to help steer their own practice." —Dr. Richard Adams, reader in entrepreneurship, Cranfield School of Management

"10,000 hours? Garrison has 100,000 hours as a successful, innovative, senior line manager. Pay heed and *Lead!*" —Jim Sterne, author, speaker, and consultant

"[Garrison is] an internationally known speaker...a tech guru." —*Silicon Republic*

"Greg Garrison provides the potential leader with a comprehensive overview of the study of leadership literature and practice. He shares an insightful overview of his personal experience and journey of becoming an exceptional leader. Greg presents a common-sense approach to becoming an effective leader. His approach is easy to understand and provides first-hand accounts of the challenges of achieving exemplary results." —Ernie Lopez, organizational development consultant

The Forgiveness Tour

How To Find the Perfect Apology

Susan Shapiro

"Essential reading."—*Publishers Weekly*

"Enlightening and universally relevant."—*Kirkus*

"To err is human; to forgive divine." But what if the person who hurt you most refuses to apologize or express any regret?

That's the question haunting Manhattan journalist Susan Shapiro when her trusted advisor of fifteen years repeatedly lies to her. Stunned by the betrayal, she can barely eat or sleep. She's always seen herself as big-hearted and benevolent, someone who will forgive anyone anything—as long as they're remorseful. Yet the addiction specialist who helped her quit smoking, drinking, and drugs after decades of self-destruction won't explain—or stop—his ongoing deceit, leaving her blindsided. Her crisis management strategy is becoming her crisis.

To protect her sanity and sobriety, Shapiro ends their relationship and vows they'll never speak again. Yet ghosting him doesn't end her distress. She has screaming arguments with him in her mind, relives their fallout in panicked nightmares and even lights a candle, chanting a secret Yiddish curse to exact revenge.

In her entrancing, heartfelt new memoir *The Forgiveness Tour: How to Find the Perfect Apology*, Shapiro wrestles with how to exonerate someone who can't cough up a measly "my bad" or mumble "mea culpa." Seeking wisdom, she explores the billion-dollar forgiveness industry touting the personal benefits of absolution, where the only choice on every channel is: radical forgiveness. She fears it's all bullshit.

Desperate for enlightenment, she surveys her old rabbis, as well as religious leaders from every denomination. Unable to reconcile all the confusing abstractions, she embarks on a cross country journey where she interviews people who suffered unforgivable wrongs that were never atoned: victims of genocides, sexual assault, infidelity, cruelty and racism. A Holocaust survivor in D.C. admits he's thrived from spite. A Michigan man meets with the drunk driver who killed his wife and children. A daughter in Seattle grapples with her mother—who stayed married to the father who raped her. Knowing their estrangement isn't her fault, a Florida mom spends eight years apologizing to her son anyway—with surprising results. Does love mean forever having to say you're sorry?

Critics praised Shapiro's previous memoir *Lighting Up: How I Stopped Smoking, Drinking and Everything Else I Loved in Life Except Sex* as fiercely honest, fascinating, funny and "a mind-bendingly good read." Now the bestselling author and popular writing professor returns with a darker, wiser follow-up, addressing the universal enigma of blind forgiving.

Shapiro's brilliant new gurus sooth her broken psyche and answer her burning mystery: How can you forgive someone without an apology? Does she? Should you?

The Little Book of Restorative Justice for Campus Sexual Harms

A Holistic Approach to Address Sexual Misconduct and Relationship Violence for Colleges and Universities

Rachel Roth Sawatzky

A restorative justice approach to addressing sexual misconduct in colleges and universities.

Written for college and university practitioners and administrators, *The Little Book of Restorative Justice for Campus Sexual Harms* combines explanation, justification, and contextualization for the application of restorative justice for sexual misconduct, including for alleged Title IX violations. This book outlines considerations, action steps, and best practices for campuses who are interested in exploring the successful implementation of RJ for sexual misconduct. The opening chapter explores the “why,” while the final chapter examines the “how” of RJ for sexual harms and Title IX for college and university campuses. The authors' backgrounds as practitioners within the higher education context grounds this work with personal reflections, experiences, and stories.

The 2020 passage of the Final Rule of Title IX of the Education Amendments Act of 1972 redesigned the law, ceding extensive authority to individual educational institutions to customize their approach to Title IX compliance. While some argue that the Final Rule may leave students less safe, there are now emergent opportunities, as federal Title IX regulations have also made allowances for the augmentation of investigative/adjudicatory Title IX processes with additional “informal” resolution options. These options can be designed to more specifically and appropriately address the harms, meet the needs, and attend to resultant obligations for those involved in situations of campus sexual misconduct.

This book provides a primer for colleges and universities who seek to move campus culture in a more restorative direction generally, and specifically for practitioners interested in exploring the possibility of amending existing sexual misconduct policies, including investigative/ adjudicatory Title IX policy and procedures, through a restorative justice informed adaptive lens. Readers will explore why it makes all the difference (both for students and administrators) to add adaptive resolution options, from both cognitive and moral development standpoints, and for purely practical reasons.

Mikayla (Waters-Crittenton) McCray contracts with local school systems, court systems, and organizations to train their staff in restorative justice facilitation. She is currently helping to launch a new Restorative Justice Diversion program for the city of Charlottesville and Albemarle county (VA) for both young people (through 22 years old) and adults. She previously served as the Assistant Director of Student Accountability and Restorative Justice and as a Residence Director for Eastern Mennonite University. Prior to joining the EMU team, Mikayla worked to advance the awareness and research around restorative practices in the context of domestic violence, intimate partner violence, and sexual violence at Impact Justice (CA). Mikayla trains national organizations across the US in restorative justice and is certified in The Strategies for Trauma Awareness and Resilience program as well as a rape crisis counselor. She earned an M.A. in Restorative Justice from EMU and undergraduate degrees in Criminal Justice and Sociology. She lives in San Juan, Puerto Rico.

Dr. Rachel Roth Sawatzky trains national organizations across the US in restorative justice and policy development. She has worked within higher education as a university Title IX Coordinator, Interim Associate Dean of Students, and Director of Student Programs. In addition to serving on many policy advisory groups she has collaborated to lead a team on an Office of Violence Against Women Grant to prevent and eliminate sexual violence and misconduct. Her work has involved providing many training sessions on a variety of topics for students, university personnel, community first responders, and service providers. Rachel's research interests include institutional policies and protocols in response to misconduct. Bringing a range of additional professional experiences to this project, Rachel has also worked as a social worker in a residential facility for sex offenders, within the foster care and adoption systems, and has experience working with children, families, and students impacted by sexual violence. She lives in Ann Arbor, Michigan.

Life is Funny Until It's Not

A Comic's Story of Love, Loss, and Lunacy Chonda Pierce

One of America's funniest women opens up in this real and raw memoir, encouraging readers to face life's trials with unshakeable faith and joy.

A stand-up comedian beloved for her combination of feisty wit and Southern charm, Pierce knows all too well that life is funny—until it's not. But she also knows that it *will* become funny again. She's held on to that hope—and that promise—through tragedy and triumph.

And now she's finally ready to tell her full story.

In *Life Is Funny until It's Not*, Pierce recounts a preacher's daughter's childhood filled with heartbreak, including abuse, her parents' divorce, and the sudden deaths of her two sisters in the span of two years. Even after she achieved success in her comedy tours, trials and tragedy dogged her through marriage, motherhood, and widowhood. But God was there with her through every sorrow and every joy.

This story of unshakeable hope and faith will inspire readers to turn to God and trust his faithfulness.

Chonda Pierce has a white-knuckle faith—the kind you almost dare to have taken from you. And she wants her readers to share her unapologetic courage to hope—as well as a few laughs along the way.

AUTHOR BIO

Chonda Pierce is a stand-up comedian, Emmy®-nominated television host, producer, screenwriter, and actress who has been making audiences laugh for more than three decades with her winning combination of fierce wit and Southern charm. She is the Recording Industry Association of America's (RIAA) bestselling female comedian and the author of several books, including *Laughing in the Dark*, *Roadkill on the Highway to Heaven*, and *Second Row, Piano Side*.

Legal Gladiator

The Life of Alan Dershowitz Solomon Schmidt

The only biography of America's most controversial lawyer.

Legal Gladiator is the story of perhaps the greatest lawyer in American history. It is the story of a poor, failing high schooler from Brooklyn who became the youngest professor in the history of Harvard Law School, where Elena Kagan, Mike Pompeo, Natalie Portman, Ted Cruz, and others sat under his tutelage. It is the story of a passionate Zionist who advocated for Israel on the world stage and became a confidant of Israeli prime ministers, including Benjamin Netanyahu. And it is the story of a zealous young liberal who, as an old man, stood in front of the Senate to declare that they would be violating the Constitution by removing a Republican president he himself opposed.

As a lawyer, Alan Dershowitz has had a major impact on the most notorious legal cases in modern U.S. history. From Claus von Bulow to Mike Tyson to O.J. Simpson to Jeffrey Epstein to Donald Trump, he has devoted his life to championing the bedrock principle of the American justice system: that every person—no matter how despised—has the right to a rigorous legal defense. *Legal Gladiator* explores Dershowitz's rise to prominence, gives the inside story of his most high-profile cases and controversies, and provides a shockingly intimate look into his personal life.

Dershowitz gave author Solomon Schmidt unprecedented access to his personal and professional life, including his private archives at Brooklyn College and dozens of interviews with him virtually and in New York City, Miami, Martha's Vineyard, and Israel. This book includes exclusive interview content from Bob Shapiro, Jeffrey Toobin, Israeli Prime Minister Ehud Olmert, Glenn Greenwald, Rep. Jamie Raskin, Eliot Spitzer, Justice Stephen Breyer, Mike Huckabee, Woody Allen, Noam Chomsky, Geraldo Rivera, Mike Pompeo, Megyn Kelly, Mike Tyson, Ted Cruz, Robert F. Kennedy Jr., O.J. Simpson, and Donald Trump, among others.

AUTHOR BIO

Solomon Schmidt is the author of eight books in a series called History Bites. He wrote his first book at the age of 12, graduated high school at the age of 16, and was described by *Fox & Friends* as "the youngest child historian in America." In addition to running historical tours in England and Scotland, Solomon also hosts the History Bites YouTube channel, where he has posted over 150 educational videos and interviews, including with Jocko Willink, Gov. Mike Huckabee, Alan Dershowitz, Mike Tyson, and Dame Jane Goodall. Solomon has traveled to Tanzania, Norway, Iceland, Greenland, Jordan, Australia, and New Zealand to film videos for his channel and has given lectures at over 50 conferences throughout the United States. Solomon is also working to help expand education in rural parts of Nepal through the JAPA Workbook Initiative. He lives in Buffalo, New York.

Land Rich, Cash Poor

My Family's Hope and the Untold History of the Disappearing American Farmer Brian Reisinger

The hidden history of an economic and cultural catastrophe that is threatening our very food supply—the disappearance of the American farmer.

Taking on this story of heart and hardship, award-winning journalist Brian Reisinger weaves forgotten eras of American history with his own family's four-generation fight for survival in Midwestern farm country. Readers learn the truth about America's most detrimental and unexplained socioeconomic crisis: How the family farms that feed us went from cutting a middle-class path through the Great Depression to barely making ends meet in modern America. Along the way, they'll see what it truly takes to feed our country: accidents that can kill or maim; weather that blesses or threatens; resilience in the face of crushing economic crises, from inflation to COVID-19; and the tradition that presses down on each generation when you're not just fighting for your job, you're fighting for your heritage.

With newly analyzed data, sharp historical analysis, honest debate, and personal storytelling, Reisinger reveals the roots of a problem with stakes as high as they come. A vulnerable food supply, soaring prices for American families, environmental and ecological decay, farmer suicides, addictions, a deepening urban-rural divide, and more worries than ever about what's for dinner. These are all becoming the hallmarks of a food system that has long stood as a modern miracle. *Land Rich, Cash Poor* offers the honest truth about these issues, and a candid look at what we can do about them—before it's too late.

AUTHOR BIO

Brian Reisinger grew up on a family farm in Sauk County, Wisconsin and lives to tell the hidden stories of rural America. A columnist and consultant, Reisinger worked with his father from the time he could walk, before entering the worlds of business journalism and public policy. He has been published by the *USA Today* Network, *Newsweek*, *Yahoo News*, *PBS/Wisconsin Public Radio's "Wisconsin Life,"* and many other news, policy, outdoor, and cultural publications. Reisinger's writing has won awards from the National Society of Newspaper Columnists, first place in the Seven Hills Literary Contest, a Solas Award, and more. He lives with his wife Rachael, and serves as President & Chief Content Officer of Midwestern-based Platform Communications, splitting time between a small town in northern California and the family farm in southern Wisconsin. *Land Rich, Cash Poor* is his first book.

The Spirit of the Herbfarm Restaurant

A Cookbook and Memoir: With More Than 100 Recipes, Tips, and Techniques from America's First Farm-to-Table Restaurant

Ron Zimmerman

This book brings together more than 100 unique recipes from and inspired by America's first true "farm-to-table" restaurant with the story of its creation.

Working together, founders Ron Zimmerman and Carrie Van Dyck turned a farm garage into a restaurant like no other. In their pre-opening manifesto, they vowed to use only local ingredients to reunite their guests with the increasingly forgotten nature that has sustained us for hundreds of years.

The initial offering was a single noon seating that began with a garden tour led by Carrie. This quickly became a nine-course chef-selected menu with a price that included wine pairings. The meals told a daily story in six or nine sequential dishes of what was in the garden, wilds, farm, and sea.

Unlike restaurants that would later cloak themselves in the verbal mantle of "farm-to-table," The Herbfarm Restaurant first found the food and only then designed the menu. Everything in each dish was local, not just the protein or main vegetable. Even olive oil and lemons weren't used in the first years until Oregon olive orchards blossomed. There were no "supplements" or extra charges. Since guests were charged in advance, they knew to the penny what the experience would cost.

Part memoir, part cookbook, *The Spirit of the Herbfarm Restaurant* is a walk down memory lane, written, photographed, and largely designed by Ron before his death in 2023. Delight in the history of the restaurant as well as the unique seasonal dishes and recipes and beautiful photography that cover all occasions.

AUTHOR BIO

Paul Zimmerman (1948–2023) and his wife, Carrie Van Dyck, converted a garage on his parents' farm east of Seattle into a small restaurant in 1986. The initial twenty-four-seat affair served a prix fixe, six-course luncheon or nine-course dinner using only local ingredients. Soon, The Herbfarm received rave local and national press. Multi-page articles listed it as one of the top fifty restaurants in America. In 1997, a fire destroyed the restaurant. Ron and Carrie vowed to make its replacement even better. Through many trials and delays, they rebuilt. In 2001, they became one of forty-nine AAA five-Diamond restaurants in America. This is Ron's memoir of those days of struggles along with 150 pages of Herbfarm-inspired recipes and culinary ideas. Learn more about the book at www.spiritoftheherbfarm.com.

Praise for *The Spirit of The Herbfarm Restaurant*:

"This is a story about following your dreams and opening a restaurant where every strand of your DNA is woven into the very fabric of the place. It's a story about disaster and rebirth. About discovering nature, seasonality, and the local bounty of the earth. But more than that, this book offers a glimpse into the genius and forward thinking of Ron Zimmerman. Ron was a man of endless curiosity, was inspired by nature, and one who embodied the warm hug of the service industry. The restaurant that he and Carrie built—The Herbfarm—is nothing short of iconic and legendary. This captivating and informative book is a must own for chefs and cooks across the world as there is no doubt that through it, the influence of Ron will live on forever." —René Redzepi, chef and co-owner of noma

"Ron, Carrie, and I were culinary pioneers together in the Seattle area at a golden moment, along with a host of talented, quirky, smart, gifted people. Most of us have stayed the course, devoted to local and seasonal ingredients and more, yet I think that Ron and Carrie have shone most brightly with their dedication to perfection, and their individual generosity to each person who crossed their threshold and sat at their table. As I read what Ron has written, memories and flavors flood my consciousness. You must get this book, learn, laugh, and cry with it as I have, then take it to your kitchen. It is an inestimable gift. Merci, Ron, whom I cannot consider thinking of without Carrie." —Susan Herrmann Loomis, author and cooking school proprietor, On Rue Tatin (www.onrueatatin.com)

Be Your Own Shaman

A Field Guide to Utilize 101 of the World's Most Healing Plants

Jane Barlow Christensen

Simple Steps to Make Your Plants into Your Own Herbal Apothecary

Be Your Own Shaman features 101 plants with healing properties. Each plant's information is laid out on two pages and has a full color picture, illustration of the plant, the parts of the plant that are used, the time of day collected, where found, and time of year collected.

Many of the plants in this book are found worldwide and many can be cultivated. Most can be found within one hundred feet of your home, and careful observation will help you become familiar with many nearby, useful plants.

Be Your Own Shaman is laid out in fourteen sections—divided by ailment since most people look for specific plants for specific health conditions. Most plants will include extra tips for making herbal remedies at home and basically enjoying all the gifts from utilizing plant medicine in your everyday life. The final section gives plant identification tips and basic taxonomy along with preparation methods for tinctures, decoctions, infusions, and poultices.

AUTHOR BIO

Jane Barlow Christensen is an herbalist who owns and runs Barlow Herbal Specialties. Jane loves everything natural, holistic, wellness, fitness, and nutrition oriented. She believes it is our right as humans to be vibrantly healthy, that if given the right tools our body knows how to heal, and that each of us is responsible for ourselves and the love, joy, and spiritual and physical health we experience. Jane grew up in rural Idaho as the second of fourteen kids. She has two grown sons and two grandchildren. She lives in Salt Lake City and enjoys hiking all over the mountains of Utah.

Brian R. Christensen is Jane's younger son and has worked with her professionally for eight years. He has spent hundreds of hours wildcrafting plants in the US Mountain West, notably Lomatium. Brian has a deep love and wisdom for herbs and healing plants. He loves to be with his dog and fiancée in nature, watch football, lift weights, play guitar, and cook up delicious food in the kitchen. Brian was born in a military hospital in Fort Campbell, KY, has lived in Germany and in Northern and Southern California, and currently resides in beautiful Salt Lake City.

Praise for *Be Your Own Shaman*:

“The information and education in this book are so valuable. Adaptogens, heart health, digestion, detox, nutrients, and pain relief are all covered. It’s gold, and I have personally seen and witnessed these therapies changing people’s lives by creating medical heroes out of ordinary physicians. You can beat your disease. You are not your disease or diagnosis. This book is invaluable in providing a healing pathway towards a better life.” —Dr. Jason D. West, DC, ND, FIAMA, FAAO, DCDBN

“Finally, a guidebook for anyone who is searching for natural, time-tested, and proven remedies for virtually every modern health issue. Jane Barlow Christensen and her son Brian stand on the broad shoulders of Jane’s medicinal botanist father, Max Barlow. The wisdom and healing skills of three generations are distilled into this indispensable bible of natural remedies. Jane has created a must-have reference guide for anyone pursuing herbal healing and health.” —Jeff C. Hays, producer, Jeff Hays Films

AUTHOR BIO

Mary Colvin is a registered herbalist (**RH**) of the American Herbalists Guild (**AHG**) and the owner of Ancestral Herbology. She wants to continue to inspire a new generation of herbalists and provide education and mentorship in the study of herbalism with the safe practice of using herbs as medicine. She has devoted her time and efforts toward the future of herbalism as the former treasurer and vice chair of the AHG, the host of Herbology Talk, as a speaker, as the host of the Training in Herbalism series on TikTok @simpletrainingherbalist, and through her website www.herbalistmentor.com.

Praise for *The Herbalist's Guide*:

"Mary Colvin's *The Herbalist's Guide* is delightfully conversational and humble. Mary covers absolutely every detail a budding herbalist needs in order to understand the depth and breadth of herbal practice. Colvin's presentation contains balanced advice and foundational skills. This guide will become dog-eared from the constant returning to dirt-smeared pages. A soothing overview of herbal terms, preparations, tools of the trade, care of oils, tinctures, dried plants, oh my, the list is too long, and so thorough. And, like a good teacher, Mary shares some homework in each chapter to implant the knowledge. You will not feel alone while using this handbook! I felt I had a wise and steady earth mother guiding me toward practical skills. A gift for all wishing to practice well." —Margi Flint, RH (AHG), owner of Earthsong Herbs in Marblehead, Massachusetts, and author of *The Practicing Herbalist*

Botanical Cocktails

50 Garden-to-Glass Beverages for Every Season

Tenae Stewart

Commune with nature, toast the earth's seasons, and maybe get a little tipsy along the way!

Spirits have long been at the center of seasonal celebrations. In ancient times, fine wines, spirits, and brews such as mead and mulled wine were given as offerings to the gods and goddesses to welcome the harvest. Today, we tend to drink cocktails and other boozy beverages during times of joyful celebration, such as sangria in the summer, spiced apple cider in the fall, or brandy nogs during the winter holidays.

With *Botanical Cocktails*, learn how to make more than fifty seasonal cocktail (and mocktail) recipes using delicious, organic ingredients from your own yard or herb garden. Botanical expert Tenae Stewart breaks down the different types of plants that can be used in cocktails, where to source them, or how to grow them yourself to show you that responsibly enjoying garden-to-glass beverages can be a great way to bring more joy, flow, and relaxation into your life.

Get the garden party started with *Botanical Cocktails*!

Raising Healthy Kids

How to Protect Your Children from Hidden Chemical Toxins

David Steinman

A must-have book for every parent, from the author of the ground-breaking bestseller *Diet for a Poisoned Planet*.

Every parent wonders: Am I buying products for my child that are filled with chemical toxins?

In his powerful new book, *Raising Healthy Children*, David Steinman, the director of the Chemical Toxin Working Group and one of America's premier environmental activists, shows how today's most popular items—from bubble bath to cereal to cleaning products to snack foods—are contaminated with unacceptable levels of chemical toxins and pesticides, and he proposes alternatives and substitutes to keep your family safe.

Steinman reveals never-before-seen test results for major brands like Johnsons & Johnsons, Kellogg, Tide, and Clairol, and General Mills that identify exactly which products contain dangerous ingredients. He casts a wide net, showing how beauty products as well as food items can cause reproductive health issues in pregnant women, and that environmental exposures, particularly in schools, can have a profound impact on babies' and children's development.

Drawing on current research, illuminating vignettes, and inspiring stories of activism, Steinman provides action steps for parents in every chapter, giving them the tools they need to shop for everyday products that will be toxin-free and helping them ask the right questions about their local schools and workplaces to determine their potential levels of exposure. As he writes, "The goal of this book is to show you how to keep you and your family safe and healthy."

When Steinman published his acclaimed bestseller *Diet for a Poisoned Planet*, it was compared to Rachel Carson's classic *Silent Spring* for bringing to light the chemical toxins in our food. Now, more than thirty years later, Steinman brings readers up to date on the increased dangers we face in all aspects of our lives and teaches us how we can make smart choices to protect our children and ourselves.

Raising Healthy Children is an inspiring, informative, and user-friendly book that will help every family reduce their toxic exposures and ensure their health and well-being.

A Novel

Monika Feth

Amy's father had always said she was a special child. And Amy thought so, too. After all, only really special people live in castles.

Suri's mother reckons there are worse things in life than living in a castle. But Suri and her brothers, Bear and Erik, disagree.

The castle is located in the dull flatlands, which will take some adjusting. It's also managed by their mother's boyfriend, who'll be living there with them.

The fact that he has a daughter doesn't make things any easier, because Amy's pretty special.

Amy can barely contain her excitement at the prospect of being part of a blended family. She's thrilled to have siblings.

But bringing two families with two different backgrounds together can be difficult, and as tension grows within the stone walls of their new home, it's starting to look like Amy's wish of having a big family might not come true.

Bestselling author Monika Feth's story is told from the alternating perspectives of Amy, a girl with Down syndrome, and her stepsister-to-be, Suri.

AUTHOR BIO

Monika Feth was born in 1951. After completing her literary studies, she was initially employed as a journalist. She now lives near Cologne, where she writes award-winning books for all age groups. How to Train a Tooth Fairy

Sue Fliess; Illustrated by Simona Sanfilippo

What happens when you have a loose tooth, but it's the Tooth Fairy's first day on the job? How will she find you and where will she leave her gifts?

In this installment of Sue Fliess and Simona Sanfilippo's Magical Creatures and Crafts series, a group of children wonder what happens if the Tooth Fairy assigned to collect their most recent lost tooth is brand new to her job. How will she know where to find the tooth? What if she goes to the wrong room? To help the Tooth Fairy remember her training, the children devise a plan that will guarantee her success!

With the right supplies—colored paper, crayons or pens, scissors, stickers and glitter, and ribbon—young readers who have a wiggly tooth or have recently lost a baby tooth can also help train their Tooth Fairy by making a sign for their bedroom doors similar to the ones the children make in the book.

Fliess's bouncy read-aloud rhyming text and Sanfilippo's energetic, whimsical illustrations will bring joy to young readers as they watch the children create a scene that will direct the little Tooth Fairy to the tooth she seeks. Also included are guides for teachers and parents about the origin and history of the Tooth Fairy, as well as instructions for making the craft featured in the book.

AUTHOR BIO

Sue Fliess is the author of over fifty children's books including other books in the Magical Creatures and Crafts Series: *How to Help a Cupid*, *How to Trap a Leprechaun*, *How to Track an Easter Bunny*, *How to Meet a Mermaid*, *How to Find a Unicorn*, *How to Trick a Christmas Elf*, *How to Hide a Turkey*, and *How to Spook a Ghost*, the Beatrice Bly series, the Kid Scientist series, *Sadie Sprocket Builds a Rocket*, *Mary Had a Little Lab*, and more. She lives in Northern Virginia with her family and loves to travel. She has always loved Halloween. Once she dressed up as the *Mona Lisa* painting and won a costume contest.

Simona Sanfilippo is a children's book illustrator who lives and works near Turin, the magical town in the north of Italy. Lots of green hills and mountains have surrounded her since childhood and both of them have a big place in her heart, a northern one that loves oceans and snowy lands too. When she lets her pencils have a break, she loves reading about Celtic legends, creating cute handmade creatures, and having a walk into the woods discovering trees and Mother Earth's gifts.

The Incredible Book of Outrageous Facts for Kids

Random Information You Need to Know!

Nancy Furstinger

Kids love to read astonishing, absurd, and amusing facts such as these and then share them with their families and friends. *The Incredible Book of Outrageous Facts for Kids* will have curious readers saying “Oh, wow!” as they turn the pages and read through the 1,500 facts inside.

Amazingly pointless, but verified, factoids will gear kids up to master *Jeopardy* and win at family trivia nights.

Chapters will feature categories with kid-appeal, including animals, sports, planets, dinosaurs, toys, technology, strange foods, superheroes, unusual pets, fashion, movies, weather, and more. Every time kids pick up this book, they’ll learn something new. (Parents also might grab this book as a boredom buster.)

Did you know . . .

- a blue whale’s tongue weighs nearly 6,000 pounds, about as heavy as an Asian elephant

- the world’s first underwater post office operated on the sea floor of the Bahamas in 1939

- pogonophobia is the fear of beards (perhaps spurred by a study showing that beards contain more bacteria than dog fur) (Well, now you do!)

Wall Street, the Nazis, and the Crimes of the Deep State

David Hughes

As one of the few academics who has never hesitated to go against the grain, whether following the attacks that triggered the War on Terror or the response to the emergence of COVID-19, David A. Hughes has analyzed how governments exploit their populations to obtain power and control. Now, Hughes delves into the corruption of Wall Street, its connection to the Nazi party, and the crimes of the Deep State.

The transnationally coordinated response to COVID-19 witnessed numerous developments that had overt similarity to the history of the Third Reich, including: mass psychosis and conformity, military-grade propaganda, symbols of obedience, censorship of dissent, the promotion of ecopolitics, and a fascistic fusion of the state and Big Business. These similarities highlight a trend of a transnational ruling class and their attempts to replace liberal democracy with global technocracy. How did we get here?

Wall Street, the Nazis, and the Crimes of the Deep State explores the role of Wall Street in promoting the rise of Hitler and the funding of the Nazi war machine, the recruitment of ex-Nazis, the creation of a transnational deep state through post-WWII national security, and a reconsidered view of Cold War history. Hughes demonstrates how Wall Street has long preferred totalitarianism as the regime type most effective in crushing working-class opposition to capitalist rule.

All the warning signs from history are flashing red, and unless the global technocratic coup that is currently underway is put down, the result will be the end of human freedom and a global form of slavery that far exceeds the level of social control imaginable by Hitler or Stalin.

AUTHOR BIO

David A. Hughes is Senior Lecturer in International Relations at the University of Lincoln (UK). He received his undergraduate and master's degrees from Oxford University and holds doctorates in German Studies from Duke University and International Relations from Oxford Brookes University. His research focuses on psychological warfare, 9/11, COVID-19, the deep state, technocracy, global class relations, and resurgent totalitarianism.

America Betrayed

How a Christian Monk Created America & Why the Left Is Determined to Destroy Her

David Horowitz

America is now engulfed in a crisis that goes to the very foundations of its democracy. To destroy Americans' pride in their heritage and undermine their will to defend it, the attacks on America's heritage begin with malicious slanders intended to turn the American dream of equality and freedom into a "white supremacist" nightmare. We are told America, from its inception, has been a "racist" nation that treats minorities as less than human. We are told America deserves to be destroyed. This destructive lie is now the official doctrine of the Biden White House, the "woke" Pentagon, the Democratic Senate, and the curricula of American schools.

America Betrayed restores the true history of America's achievements and its role as a beacon of freedom. Framed by an account of Martin Luther's history and ideas, David Horowitz demonstrates that racial progress in America originates not from Leftist policy but from its founding ideals. *America Betrayed* is a history and a manifesto focused on the current war to save our country and restore the dignity and freedom of the individual.

AUTHOR BIO

DAVID HOROWITZ is a noted conservative thinker, writer and commentator and the Founder and CEO of the David Horowitz Freedom Center in Los Angeles, CA, whose mission is "to defend free societies which are under attack from enemies within and without, both secular and religious"; and further, to defend the principles of individual freedom, the rule of law, private property, limited government and to reestablish academic freedom in American schools. The Freedom Center publishes the online news magazine FrontPageMag.com, where Horowitz serves as Editor-in-Chief.

David Horowitz grew up a "red diaper baby" in a communist community in Sunnyside, Queens, and was one of the founders of the New Left in the 1960s and an editor of its largest magazine, *Ramparts*; but forced to confront some difficult truths about the political left, Horowitz ultimately found a political and intellectual home as a conservative activist.

Cultural critic Camille Paglia has said of David Horowitz: "I respect the astute and rigorously unsentimental David Horowitz as one of America's most original and courageous political analysts. . . I think that, a century from now, cultural historians will find David Horowitz's spiritual and political odyssey paradigmatic for our time."

Norman Podhoretz, former editor of *Commentary* magazine, says of Horowitz: "David Horowitz is hated by the Left because he is not only an apostate but has been even more relentless and aggressive in attacking his former political allies than some of us who preceded him in what I once called 'breaking ranks' with that world. He has also taken the polemical and organizational techniques he learned in his days on the left and figured out how to use them against the Left, whose vulnerabilities he knows in his bones."

Horowitz has written well over a dozen books, including *The New York Times* Bestsellers *Blitz: Trump will Smash the Left and Win*, and *Big Agenda: Trump's Real Plan to Save America*, as well as *Dark Agenda: The War to Destroy Christian America*, *Unholy Alliance*, *The Black Book of The American Left*, *Take No Prisoners*, *Progressive Racism*, *The Professors* and his celebrated memoirs *Morality & Faith* and *Radical Son*.

Praise for David Horowitz:

"I simply couldn't stop reading *America Betrayed*. You've done something astonishing and remarkable. My Lord. This is magnificent and vitally important."—Eric Metaxas, #1 *New York Times* bestselling author of *Martin Luther*

"David Horowitz is a modern legend."—Charlie Kirk, *Turning Point USA* and *New York Times* bestselling author of *The Maga Doctrine*

"Our most knowledgeable analyst of the American left."—Victor Davis Hanson

"David Horowitz is so powerful a polemist that it is often forgotten how beautifully he writes."—Norman Podhoretz

"Three decades after the collapse of the Soviet Union, we are witnessing in this country an astonishing revival of the Marxist totalitarian mindset, and it is taking over our institutions. Raised by Communists, David Horowitz understands this tyrannical worldview better than anyone. . . Must reading!" —Dinesh D'souza, *New York Times* bestselling author

"*America Betrayed* is a soul-engaging and heartfelt work that took me quite by surprise. It is David Horowitz at his best! And nobody has better exposed the malice-driven lies and religious nature of the progressive-utopian delusion that seeks to destroy America and free people everywhere."—Matt Lohmeier, Former Lt Col, First Veteran of the Space Force, and bestselling author

"I could not be a bigger fan . . . David Horowitz has been telling the truth for decades, in a way that almost nobody else has been willing to." —Pete Hegseth, #1 *New York Times* bestselling author of *Battle for the American Mind*

"Many sober and dedicated patriots, throw up their hands when it comes to describing Woke ideas and agendas which are systematically eating away the foundations of our democracy, calling them "crazy" and "deranged." David Horowitz, who was once one of their intellectual leaders knows differently. [He] unveils the sinister logic of their strategy and how it has already undermined the foundations of our American system, which they hate." — Mark R. Levin, *New York Times* bestselling author of *Unfreedom of the Press*

"David Horowitz has written an insightful, compelling, and ultimately troubling book about the leftist mindset. An important read." —Peter Schweizer, #1 *New York Times* bestselling author of *Red-Handed*
