Portuguese - Porto

Greek - Key Books

German - Koha

Lithuanian - Tyto Alba

Finnish - Viisas Elama

Hungarian - Edesviz

Chinese (complex) Ecus

Chinese (simp) - Beijing Uni Wisdom

Key Selling Points

- Published to coincide with the 25th anniversary of *The Book of Awakening*, over 750,000 copies sold.
- Bite-sized wisdom for daily guidance and reflection.
- Beautiful package

Description

From the author of one of Oprah's "Favorite Things" and *New York Times* bestseller *The Book of Awakening* comes beautiful inspiration cards that encapsulate the wisdom from the book.

The Book of Awakening is a modern classic—written in the year 2000 in response to the author's journey through the trials of a cancer diagnosis and catapulted to fame in 2010 when it made Oprah's annual list of her "Favorite Things." Having touched the lives of hundreds of thousands of readers, Mark Nepo's wisdom continues to be a daily guide for living life—in hard times and good times—and, most importantly, living authentically.

The Book of Awakening Inspiration Deck offers heartwarming, affirming, and life-changing wisdom taken from Mark Nepo's bestselling work, *The Book of Awakening*. You can use these cards in a variety of ways, but here are a few suggestions, so that you receive the maximum benefits from these powerful cards:

- Read only one card a day. If that seems too fast, try one card each week. Whatever you choose, try to be consistent.
- Read the cards with an open mind. Ponder the words and see how they apply to your life. Focus on the words and see how they benefit you.
- Keep the card visible throughout your day, especially those cards that you are most inspired or challenged by.
- Take daily positive actions.

The wisdom of these cards has empowered millions to change their thinking and their lives. May these cards motivate you in your journey to creating the life of your dreams.

About the Author(s)

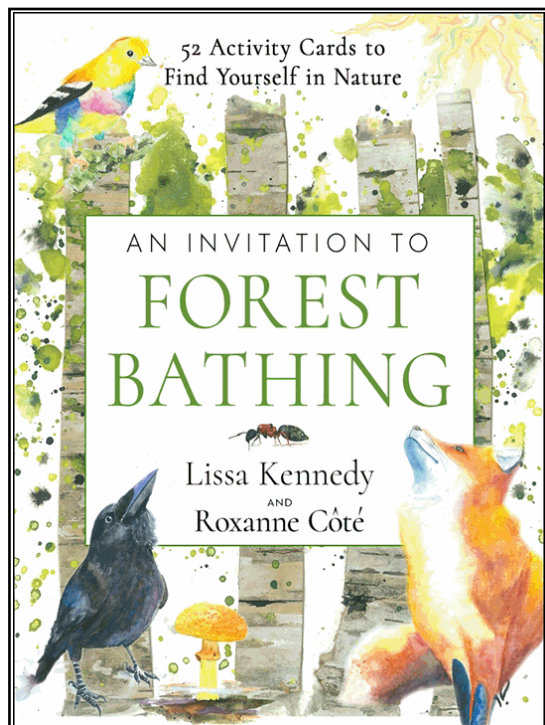

Mark Nepo is a poet and philosopher who has taught in the fields of poetry and spirituality for over thirty years. He has published twelve books, and his work has been translated throughout the world. In leading spiritual retreats, in working with healing and medical communities, and in his teachings as a poet, Mark's work is widely accessible and used by many. He continues to offer readings, lectures, and retreats. His bestselling title is *The Book of Awakening*—over 750,000 copies sold.

An Invitation to Forest Bathing

52 Full-Color Activity Cards to Find Yourself in Nature

Lissa Kennedy

Illustrated by Roxanne Côté

Lissa Kennedy: Pleasant Grove, Utah

Roxanne Côté: Sherbrooke, Quebec, Canada

Illustrations: 52 full-color cards

Translation Territory: World

Price: 19.95

First Pages: 07/23/25

Trim Size: 3.75 x 4.75

Format: Card Deck

Final Files: 09/30/25

Rights Information

Key Selling Points

- Interest in forest bathing continues to increase with continual mentions in traditional and social media
- A lovely companion product for our bestseller *Your Guide to Forest Bathing*, with more than 40,000 sold
- 52 cards with guided forest bathing activities and beautiful painted scenes of the natural world

Description

A fun, easy-to-use forest bathing activity deck that will help you connect with nature and yourself.

An Invitation to Forest Bathing makes the therapeutic practice easy with these fifty-two lovely illustrated cards giving you a year's worth of activities. Forest bathing isn't just about being outside—it's about truly *feeling* it. This deck provides practical activities and a clear road map to begin your own practice, solo or with loved ones. Transform any natural setting—a sprawling forest, urban green spaces, or your garden—into a sanctuary for your senses and discover a unique path to peace and presence.

Forest bathing can have a profound effect on your physical and emotional well-being. The activities can help you:

- Reduce stress
- Decrease depressive thoughts and mood
- Improve memory and concentration
- Restore vigor and vitality
- Stimulate creativity
- Boost the immune system
- Improve sleep
- Speed up recovery from surgery, lower blood pressure, and lower blood sugar levels

About the Author(s)

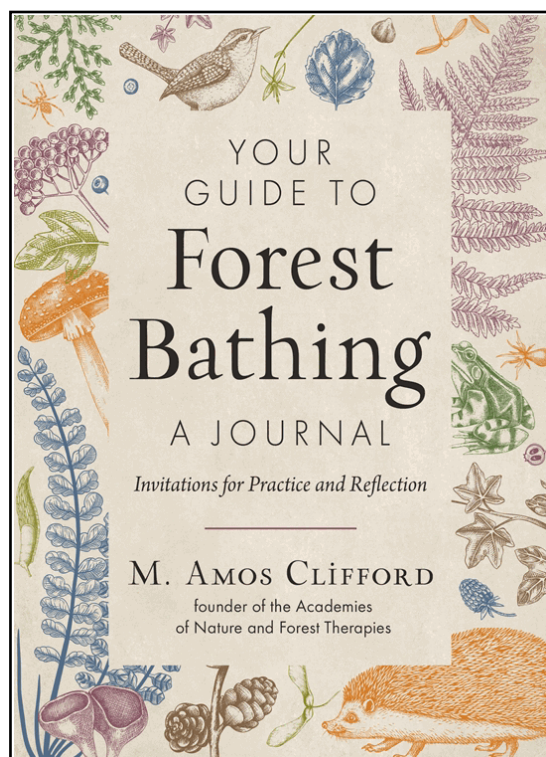

Lissa Kennedy is a certified Nature and Forest Therapy Guide and the founder of Wasatch Forest Therapy, Utah's leader in forest bathing and nature connection practices for health and wellness. She is also the owner of Wildwood Forest School.

Roxanne Côté is a certified Nature and Forest Therapy guide and a partner in Association Francophone. She is also a social worker and psychotherapist who has run a private practice for more than a decade.

Your Guide to Forest Bathing—A Journal

Your Guide to Forest Bathing

French - Tredaniel

Portuguese (exc. Brazil) - LeYa

Spanish - Sirio

Italian - Armenia

Czech - DharmaGaia

Lithuanian - Alma Littera

German - Optimum Medien

Key Selling Points

- A journal to help you deepen your relationship with the more-than-human world
- The most recent edition of *Your Guide to Forest Bathing* has sold over 40,000 copies
- Author's organization ([Academies of Nature and Forest Therapies](#)) offers training to a global network of guides

Description

Designed as the perfect partner to M. Amos Clifford's bestselling book *Your Guide to Forest Bathing*, this beautiful journal invites you to deepen your relationship with nature through a gentle, meditative approach, intentional reflection, and sensory awareness of the natural world.

Each page offers space to record your experiences, thoughts, and emotions as you engage in forest bathing, whether in the woods, a public park, or your own backyard.

- Tune in to your senses and the subtle rhythms of the natural world.
- Bask in the wonderful sensory symphony of nature.
- Become adept at discovering what invitations the forest is offering to you.
- Track the evolution of your practice over time.

It is through regular practice that you will realize the full benefit of forest bathing. Whether you're just beginning or already rooted in the practice, this journal supports you in finding presence and healing. It will help you reawaken your senses and deepen your relationship with the more-than-human world.

About the Author(s)

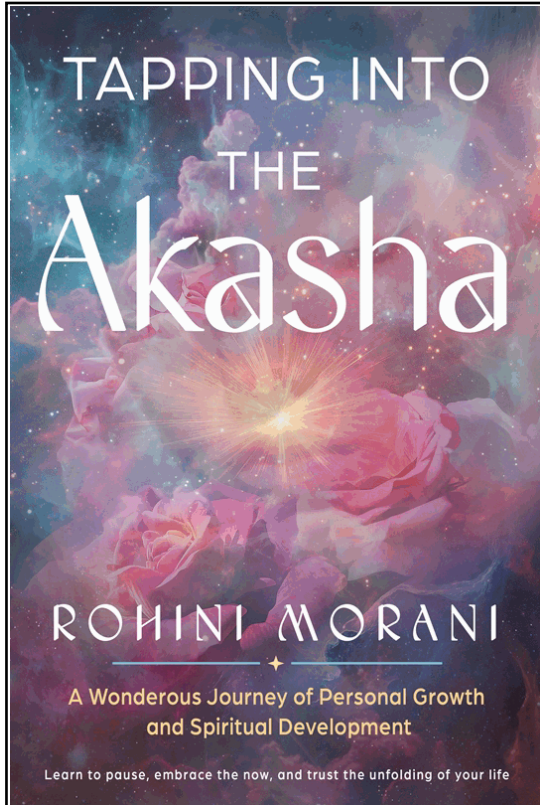

M. Amos Clifford is the founder of the Academies of Nature and Forest Therapies, an organization leading the movement to integrate nature and forest therapies into health care, education, and land management systems. He has been a student of Buddhist philosophy for over twenty years and is the founder of Sky Creek Dharma Center in Chico, California.

Tapping into the Akasha

A Wondrous Journey of Personal Growth and Spiritual Development

Learn to Pause, Embrace the Now, and Trust the Unfolding of Your Life

Rohini Moradi, creator of Magic Inclined

Word Count: 57,615

Price: 18.95

Pages: 192

First Pages: 09/17/25

Trim Size: 6 x 8

Format: Trade Paper

Final Files: 01/15/26

Rights Information

Key Selling Points

- Appealing to practitioners of other spiritual modalities, such as meditation, Reiki, and energy healing
- Offers guidance on searching for answers to life's big questions, such as life's meaning, purpose, and how to understand the soul's journey
- For those seeking to make a personal change, gain a deeper understanding of themselves, and increase their spiritual awareness

Description

A comprehensive guide to understanding and accessing the Akasha and exploring how its ancient wisdom can be integrated into modern life.

The Akasha is essentially the energetic field that contains everything—every thought, action, emotion, memory, and experience. Imagine it as the universe's hard drive, where every bit of information is stored, not just from your life but also from the lives of everyone who has ever existed. The Akasha is available to all of us—a universal field that reminds us of our inherent interconnectedness and our shared history as souls navigating the vast expanse of existence.

Tapping into the Akasha delves deeply into the ancient modalities used by sages to show you how to access the Akasha. Along with practical exercises and techniques, including meditation, visualization, and energy work, Rohini Moradi guides you on a wondrous voyage of self-discovery to:

- Uncover answers to life's big questions
- Begin to understand your soul's path
- Gain a deeper understanding of yourself
- Develop your intuitive abilities
- Find answers to specific questions

Whether you're at the beginning of your journey or looking to deepen your connection with your inner wisdom, *Tapping into the Akasha* offers insight and clarity.

About the Author(s)

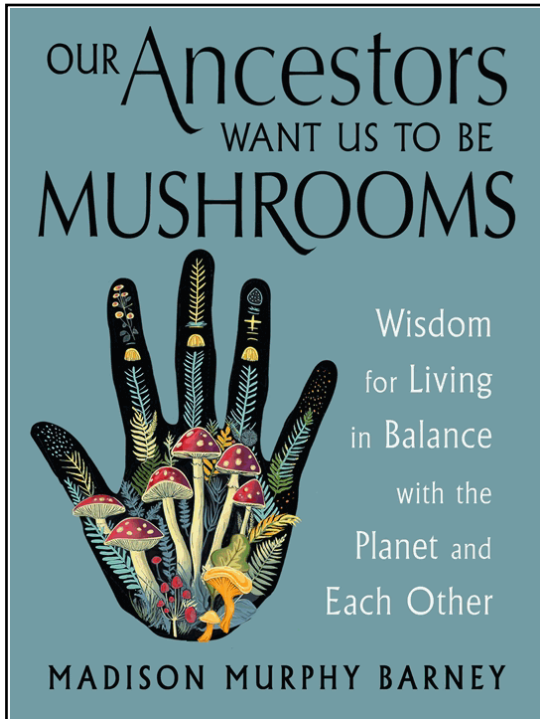

Rohini Moradi is no ordinary spiritual guide; she's a revolutionary voice in modern metaphysics and the mastermind behind *Magic Inclined*. Born into a vibrant tapestry of faith and community, she grew up within the hallowed walls of Iran's sole Hindu temple, where her father served as the distinguished Pujari (priest). From the foothills of the Himalayas to the sacred banks of the Ganges, Rohini's childhood was a kaleidoscope of spiritual immersion, framed by extensive travels throughout India. Her upbringing offered her unparalleled access to India's most sanctified spaces—places off-limits to the average seeker. These privileged experiences shaped her spiritual ethos and transformative path. Now an internationally acclaimed teacher of the Akasha, Rohini is trailblazing a fresh approach to spiritual growth.

Our Ancestors Want Us to Be Mushrooms

Wisdom for Living in Balance with the Planet and Each Other

Rewild now

Madison Murphy Barney

Word Count: 40,000

Illustrations: full-color spot art throughout

Price: 18.95

Trim Size: 6 x 8

Pages: 144

Format: Trade Paper

First Pages: 11/17/25

Final Files: 01/26/26

Rights Information

Key Selling Points

- Offers a sense of possibility and agency to the countless people who want to live in harmony with the planet but feel helpless to do so
- Filled with guidance on how to live in balance and protect our planet from further destruction
- An Indigenous contribution on the wisdom of mushrooms and their ties to our ancestral wisdom

Description

An enchanting guide to living more in tune with ourselves, our community, and our planet by embodying the innate qualities of the wondrous mycelial world.

The more we start to live like mushrooms, author Madison Murphy Barney argues, the healthier, more just, and more abundant our lives will be. Unlike other mushroom-focused books, *Our Ancestors Want Us to Be Mushrooms* isn't a foraging guide, a scientific examination of fungi, or a glimpse into the powers of psilocybin. Rather, it weaves the guiding attributes of mushrooms and ancestral wisdom into an inspiring metaphor that calls us back into right relationship with each other and with our planet.

The book is cleverly divided into eight traits of mushrooms from which humans can seek guidance: Humility, beauty and delight, creativity and unique gifts, living in cycles and decomposition, protection, healing and nourishment, flexibility and adaptability, and mystery and room for magic. Written with warmth, spirit, and whimsy, *Our Ancestors Want Us to Be Mushrooms* enchants readers into a more engaged life with the world and themselves.

About the Author(s)

Madison Murphy Barney is a Two Spirit, Indigenous sister, doula, author, and public-health storyteller. She authors the popular weekly newsletter *Our Medicine*, an exploration of our individual, collective, and ancestral gifts, which can serve as the medicine to heal and build our world into a more just, balanced, and communal ecosystem.

Madison is frequently called upon as a thought leader in storytelling, health, equity, and community care. She was featured on the 2022 Indigenous People's Day conversation on the BBC Global News podcast. She was also a guest at Aspen Ideas: Health in 2023, where she—alongside the StoryCorps CEO—shared her expertise in using storytelling as a tool for equity. Madison received her master's degree in public health at the Harvard T. H. Chan School of Public Health.

Madison stewards two acres of land in Vermont and is a part of an intergenerational community of Indigenous baddies.

New Moon Life Design

Manifest the Life You Want Using Lunar Cycles, Tarot, and Astrology

Yesbelt Fernandez

Foreword by Theresa Reed, author of *Astrology for Real Life*

Word Count: 50,000

Illustrations: Approx. 28 tarot cards and
12 astrological signs

Price: 18.95

Pages: 224

First Pages: 10/20/25

Trim Size: 6 x 8

Format: Trade Paper

Final Files: 02/12/26

Rights Information

Key Selling Points

- A new approach to manifestation: combining moon cycles, astrology, and tarot into one process
- Suitable for beginners, intermediates, and advanced practitioners: All levels will find this unique approach helpful in connecting the cosmos and their own inner wisdom
- A practical, magical guide to use throughout the year: Learn to set positive intentions in all aspects of life, including career, relationships, community, learning, creativity, health, and more

Description

***New Moon Life Design* offers the tools for manifesting the life you want by using the phases of the moon alongside astrology and tarot. The yearlong process begins with setting well-rounded intentions based on divine timing.**

The moon's cycles and position can serve as a cosmic reminder of our own personal development. The new moon is a dark and invisible portal that processes needs and desires. It is a monthly event that serves as the most potent time for setting intentions and defining personal goals. Everyone knows their one zodiac (sun) sign, but most people don't know that each of the other signs rules over different areas of our lives, and we are affected by the energies of all twelve signs.

New Moon Life Design is a daily guide that teaches readers how to harness that full zodiacal energy by following the phases and cycles of the moon alongside information on the planetary rulers, modalities, elements, and the tarot cards that correspond to each sign. It's a magical process that helps you support and manifest positive energy in your life throughout the year, adding another layer to your work with tarot and astrology. Get the most out of your journey by living an intentional and magical life.

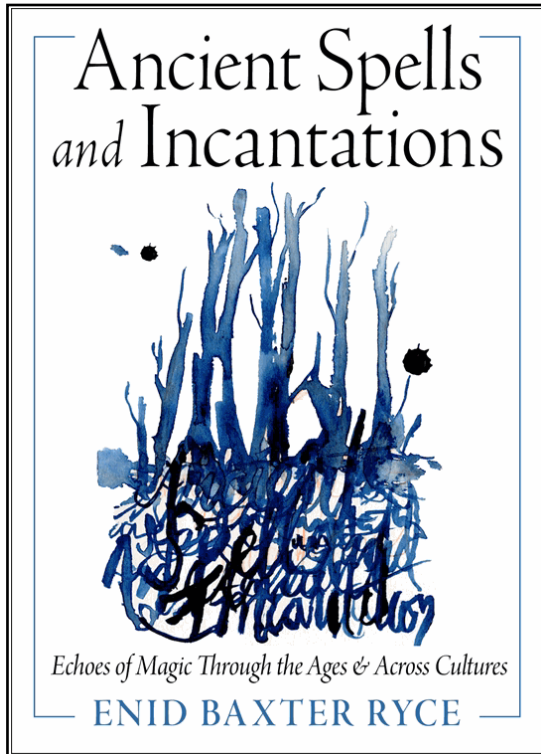

About the Author(s)

Yesbelt Fernandez is a professional tarot reader based in New York City. She began training with leaders in the world of tarot, including Ruth Ann and Wald Amberstone, Joanna Powell Colbert, and Sasha Graham. Her intensive training and studies led her to discover that working with tarot in step with astrology and the moon's cycles served as a cosmic reminder of where she was on her own personal journey of development. In addition to tarot reading, she leads lunar circles throughout the year (both in person and online).

Ancient Spells and Incantations

Echoes of Magic Through the Ages and Across Cultures

Enid Baxter Ryce

Word Count: 20,000

Illustrations: 32 b&w illustrations with spot color

Translation Territory: World, excluding audio

Price: 18.95

Trim Size: 5 x 7

Pages: 192

Format: Trade Paper

First Pages: 10/20/25

Final Files: 02/12/26

Rights Information

Key Selling Points

- The majority of the spells featured in this book have not been readily available to even the most seasoned practitioners of spells and incantations
- Spells have been translated and interpreted, making them accessible to today's reader
- Chapters center on topics including manifesting and prophecy, love/lust, protection, healing, curses, binding, and vengeance—which make it eminently browsable and practically applicable

Description

A collection of poetic spells and incantations that recount the rich lives of our ancestors, who were connected across cultures by their experience of the world as a magical place, who shared a belief, and who engaged in magical practices for manifestation, prophecy, love, protection, healing, curses, and even vengeance.

Each page of *Ancient Spells and Incantations* holds verses adapted from text unearthed through extensive research—grimoires, letters, and trial transcripts from across the ages and around the world. Many of these were tucked away in university libraries not easily accessible to even one actively in search of them. Enid Baxter Ryce painstakingly researched this collection, finding fragments from across the centuries.

Translating some from Latin and Old English herself, Enid has made the spells accessible to today's witches. What was once whispered or chanted, spiraling in cursive, or carved in stone, still echoes like a song. The words that survived connect us to that ancient magic, and we can feel the truth and power.

As we marvel at these ancient magical words, we think of our ancestors. Thanks to them, scraps of papyrus, shards of pottery, secret books, and hissed recipes can, hundreds of years later, still show themselves to those who seek them.

About the Author(s)

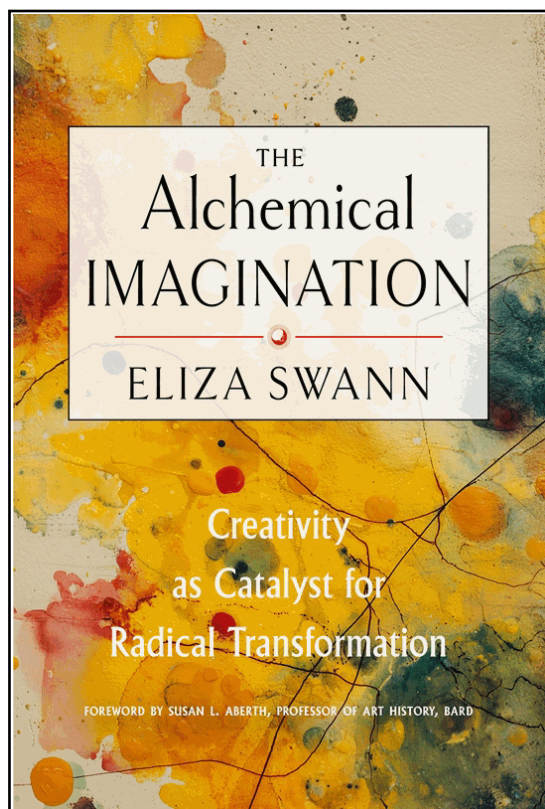

Enid Baxter Ryce is a writer, artist, and filmmaker who has exhibited at museums internationally, including the National Gallery of Art, the Getty, and the Arnolfini. A descendant of three Salem witches, she comes from a long family history of natural magic practice. Enid has an MFA in visual arts and studied at Cooper Union, Yale University, and Claremont Graduate University. She won the Elizabeth Kray Prize from the Society for American Poets when she graduated from Cooper Union. Enid is currently working on the Getty Foundation Art x Science Initiative project "From the Ground Up: Nurturing Diversity in Hostile Environments," and is the community engagement director and a curator for the Philip Glass Center for Art, Science, and the Environment. She is the author of *The Borderlands Tarot/El Tarot de Tierras Fronterizas*. Enid's work has been reviewed in *The New York Times*, *Artforum*, *ArtReview*, the *Los Angeles Times*, and many other publications.

The Alchemical Imagination

Creativity as Catalyst for Radical Transformation

Eliza Swann, founder of Golden Dome

Foreword by Susan L. Aberth, professor of art history and visual culture, Bard College

Word Count: 85,000

Illustrations: 27 b&w illustrations/photos

Price: 21.95

Trim Size: 6 x 9

Pages: 256

Format: Trade Paper

First Pages: 11/17/25

Final Files: 03/17/26

Rights Information

Key Selling Points

- A progressive approach to the ancient art of alchemy
- Draws on author's ten years of teaching alchemy in universities and cultural institutions
- Highlights the less-represented stories of ancient female and gender-nonconforming alchemists and their mythologies

Description

A revolutionary set of histories, exercises, and techniques to renew your creativity and yourself.

The Alchemical Imagination is the first book of its kind to address the ancient subject of alchemy through the lens of contemporary creativity. Eliza Swann distills this arcane science into an accessible series of philosophies and techniques to help readers find a deeper connection to their own creativity. Part workbook and part historical journey through the lives and practices of the great alchemists, *The Alchemical Imagination* traces the principles of alchemy through its applications in proto-chemistry, healing arts, psychology, visual art, and literature to help readers develop the tools to arrive at their own Great Art.

The Alchemical Imagination brings the alchemical worldview to 21st-century artists in pursuit of expanding their creative life and practices. Swann brings a modern perspective to alchemical theory in a voice that is lively, fresh, and grounded in fifteen years of teaching alchemy in universities and community organizations.

About the Author(s)

Eliza Swann is an interdisciplinary artist, intuitive, writer, and educator based in New York City. They are the author of *The Anatomy of the Aura* and founder of the Golden Dome School, which explores the mystical dimensions of art.

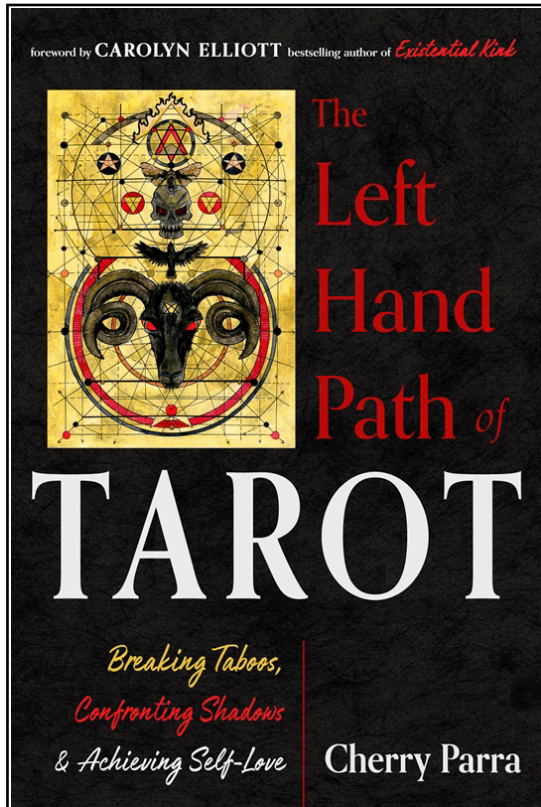

Eliza received a BA in painting from the San Francisco Art Institute and an MFA from Central St. Martins in London. In 2023, they were selected as lecturer-in-residence at the Philosophical Research Society and have also been an invited lecturer at the San Francisco Art Institute, the Hammer Museum, the Pratt Institute, and the New School. Their writing has appeared in *BOMB*, *Arthur*, *Contemporary Art Review LA*, *Momus*, and *Perfect Wave*. They contributed essays to Taschen's *Witchcraft* and *A Confluence of Witches*. Their work has been supported by PEN America, the Foundation for Contemporary Art, the Los Angeles Department of Cultural Affairs, the Pratt Faculty Development Fund, the Feminist Center for Creative Work, and the Wassai Project. Eliza has exhibited artwork internationally, most recently at the University of California Santa Cruz, and the Feminist Center for Creative Work in Los Angeles, California.

The Left-Hand Path of Tarot

Breaking Taboos, Confronting Shadows, and Achieving Self-Love

Cherry Parra

Foreword by Carolyn Elliott, bestselling author of *Existential Kink*

Word Count: 75,000

Illustrations: 78 tarot cards and 7 layouts

Price: 21.95

Trim Size: 6 x 9

Pages: 256

Format: Trade Paper

First Pages: 08/11/25

Final Files: 11/13/25

Rights Information

Key Selling Points

- An alternative perspective on tarot archetypes that goes beyond the classic interpretation of the major arcana.
- A pathway for powerful readings that break taboos and provide a potent tool for shadow work and self-discovery.
- Author's mission is to shine a light on the uncomfortable truths most people like to ignore.

Description

Most tarot guidebooks and card interpretations adhere to established perspectives that are heavily influenced by Christianity and other standardized—and often binary—conceptions of the universe and everything it contains: society, religion, moral codes, races, patriarchy, and more. *The Left-Hand Path of Tarot* offers the perspective of the outsiders, the outcasts, the marginalized, the nonconforming, and others who live in the fringes of what society labels as “civilized,” “acceptable,” or “canon.”

Cards with a negative reputation, like The Tower or The Devil, acquire a completely new layer of meaning that has extensive and relevant shadow-work applications and extremely practical advice in matters that are often frowned upon by spiritualists, such as kink, self-branding, monetization, body transformation, glamour, and self-defense. It's the chaos, subversion, and alchemy of the self in the left-hand path of tarot that challenges social norms and leads you to explore the deepest parts of your soul.

“Truly, *The Left-Hand Path of Tarot* serves as a tarot for our times, one that invites us to direct contemplation of the eerie trickster dimensions of phenomenal reality and of our own souls, so that we might learn to more deeply enjoy our wholeness.” —from the foreword by Carolyn Elliott

About the Author(s)

Cherry Parra is a Mexican left-hand path witch residing in Mexico. She majored in Hispanic literature and has an innate and inherited connection to the occult practices—Parra's magic stems from a matriarchal lineage of healers. Her great-grandmother was a witch, a *curandera* (traditional folk healer) from Oaxaca in southern Mexico, who people in the community would turn to when they needed healing in matters of the body and spirit. Cherry's life mission is to shine a light on the uncomfortable truths most people like to ignore. Cherry has been featured in *VOGUE* and *Luna Luna*. She lives and maintains a closed spiritual practice in Mexico, where she reads tarot for a select international clientele of artists, creatives, and visionaries.

Tarot Tableau Revolution

A Breakthrough System to See the Whole Story in Your Readings

Deepen Interpretation, Accuracy, and Intuition with This Classical Tarot Layout

María Alviz Hernando, director of the World Divination Association

Foreword by Mary K. Greer, author of *Tarot for Your Self*

Word Count: 55,000

Illustrations: 37 card layouts and diagrams

Price: 18.95

Trim Size: 6 x 9

Pages: 224

Format: Trade Paper

Rights Information

Key Selling Points

- Revives the tableau method of tarot reading for a modern audience, offering tips and techniques for mastery.
- This tarot method allows reader to easily see the interaction between the characters, elements, and symbolism.
- A system of reading and working with the tarot to receive solid guidance.

Description

A modern twist on a classic method of reading tarot that enables readers to consistently interpret the cards with accuracy and confidence.

The first documented evidence of tarot cards as we know them today derives from early fifteenth-century Italy, where they were used in a card game known as Tarocco. Transported to France, the name of the game became Tarot. By the late eighteenth century, there is documented evidence from France that the cards were being used for divination. Some of the earliest paintings depicting tarot readers show them seated at a table with the cards arranged in a tableau. The French word *tableau* literally means a “picture” or an “arrangement.”

The tarot tableau technique involves laying out cards in a square or rectangular shape and interpreting them in the way that one might interpret a painting. Cards are read in relationship to one another. Different tableaus utilize different numbers of cards. The tarot tableau blends traditional tarot and European cartomantic techniques, resulting in a system that aims to make tarot effective, useful, and to the point.

Tarot Tableau Revolution revives this method for a modern audience, offering tips and techniques for mastery of this system. The book teaches you how to read tarot based on classic cartomantic techniques, then takes you on a journey that begins with narrative readings of three or five cards, building up to the nine-card tableau (the flagship of the system), and then expanding into the five-by-five tableau or the Tarot Grand Tableau.

About the Author(s)

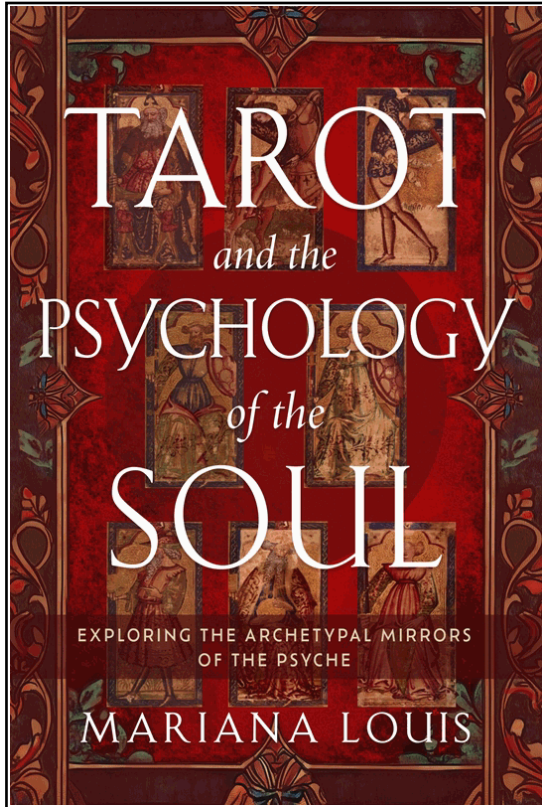

María Alviz Hernando is a tarot reader, divination teacher, and international speaker. As one of the directors of the World Divination Association and its Spanish-speaking branch, WDA Hispana, María is dedicated to promoting the love for divination worldwide. Education is a cornerstone of her work, and she offers diverse online courses. María has had the privilege of presenting at numerous online and in-person conferences, including the WDA Big Bang Conference, Lenormand Summit, Divination Pride, Stockholm Tarot Conference, WDA Virtual Conference, and, most recently, StaarCon.

Tarot and the Psychology of the Soul

Exploring the Archetypal Mirrors of the Psyche

Mariana Louis, Archetypal Tarotist

Word Count: 84,000

Illustrations: 78 cards, 43 figures, and 6 spreads

Price: 26.95

Trim Size: 6 x 9

Pages: 320

Format: Trade Paper

First Pages: 09/17/25

Final Files: 01/16/26

Rights Information

Key Selling Points

- Mariana Louis uses a subconscious Jungian approach to tarot that offers deeper explorations of the unconscious mind
- Includes everything a tarotist needs to initiate their journey while also bringing greater depth to the knowledge and practice of seasoned tarot enthusiasts
- Author has 45,000 engaged followers on [Instagram](#), 10,000 subscribers on [YouTube](#) (and nearly a quarter million views), and a biweekly podcast, [The Soror Mystica](#)

Description

***Tarot and the Psychology of the Soul* establishes the cards as reflections of the psyche and walks readers through how to use them for inner work and shadow work.**

Depth psychology unveils the road into the wilderness of the unconscious, showing us how to listen to the insights of our dreams, the whispers of our shadows, and the longings of the essential self. Tarot cards are a tool that can help mend the divide between the conscious and unconscious sides of our psyche. *Tarot and the Psychology of the Soul* combines these studies to reveal the true power of the tarot and the true wisdom they carry within. Author Mariana Louis guides beginners and seasoned practitioners alike in discovering how the cards innately reflect the psyche and the world of archetypes, which, if we learn how to understand and work with them, are the key to transformative inner work.

With this deepened perspective, pulling a card acts as an invitation to drop in, connect, recognize your authentic self, and be empowered to live it. *Tarot and the Psychology of the Soul* shows you how to trust your own immanent powers of interpretation and inspires you to seek the endless potentialities of the cards within your life.

About the Author(s)

Mariana Louis left behind a promising career as a musical theater performer to become a leading contemporary tarot scholar and teacher. She has a loyal audience on [Instagram](#) and her videos have garnered nearly a quarter million views on [YouTube](#). She is a faculty member of the Jung Archademy, an esteemed online educational platform with a select faculty of Jungian analysts and vetted depth psychology scholars.

Her writings and reflection on psycho-spiritual growth have been featured in online magazines such as *Thought Catalog*, *Soul Anatomy*, and *The Cut*, and her prose and poetry have been published in *Luna Luna Magazine* and *Sixfold Magazine*. Her greatest work remains her teaching, where she has guided countless students via her platform [Persephone's Sister](#) in subjects such as witchcraft and Jungian theory, tarot and shadow work, and images of the archetypal Feminine. She is also cohost of [Soror Mystica](#), a podcast elucidating the world's most mystifying symbols.

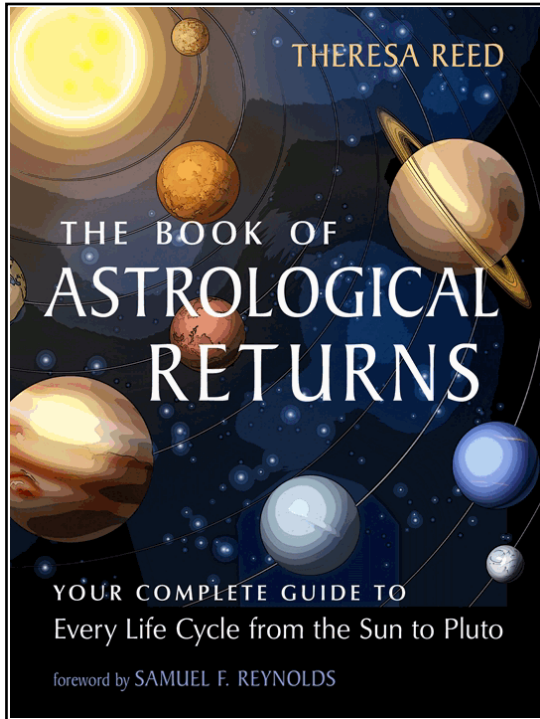

The Book of Astrological Returns

Your Complete Guide to Every Life Cycle from the Sun to Pluto

Houses, nodes, aspects, sample charts, and more to provide insights into life's changes and opportunities

Astrology for Real Life

Spanish - Siro

Polish - Studio Astro

Turkish - Ikilem

Vietnamese - Dong Nam

Key Selling Points

- A valuable resource for anyone who loves, studies, or uses astrology
- The first comprehensive book focusing on astrological returns
- Theresa covers every planetary return including solar, lunar, Saturn, and more

Description

The first comprehensive book of its kind covering every planetary return—from the sun to Pluto.

In astrology, a planetary return refers to the moment when a planet returns to the same position in the sky as it was at the time of a person's birth. Take the Saturn return, for instance. It's a pivotal time of maturity. While there are a few books on Saturn returns, they tend to focus solely on the first return at age twenty-eight, but most of us will live well beyond fifty-seven or even into our eighties when we experience the second and third returns, respectively. *The Book of Astrological Returns* fills the gaps, empowering the reader with knowledge to navigate these crucial life stages.

While most of the returns focus on the individual chart, the outer planetary returns—which are so far away that they have much longer cycles—have profound implications for civilizations, cities, and countries (for example, the United States finished its first Pluto return, a 248-year cycle, which saw events rotating from the Revolutionary War to the well-known political uprising in January 2021). Having this unique perspective allows us to look back at history and contemplate the future.

The Book of Astrological Returns is the manual every astrologer and astrology enthusiast needs. No more searching through multiple books to get the info—it's all in one place.

About the Author(s)

Theresa Reed, also known as The Tarot Lady, is a bestselling, award-winning author with multiple books under her belt. She has worked as a professional tarot reader and astrologer for over thirty years, reading for thousands of clients from every walk of life. Key Selling Points

- A healing tool for readers who process information differently (e.g., those with ADHD, autism, anxiety, neurodivergence, etc.) and are looking to become empowered through witchcraft
- Spiritual witchcraft is the new evolution of witchcraft. Offers a contemporary self-help approach that uses a blend of witchcraft and New Age spirituality as a path to healing
- Begins the reader's education into Wicca as a foundation for their spiritual practice. Includes adaptations for meditations and other works of magick, including spellcrafting and spiritual protection

Description

Whether you have a divergent mind and process information differently or are simply seeking a fresh, accessible way to connect with magic, *Divergent Witchcraft* meets you where you are with compassion, clarity, and power.

Witchcraft is rising—and it's evolving. With over thirty years of experience as a practicing witch and a background in trauma-informed teaching, Jenny C. Bell knows how to make spiritual healing approachable for minds that think differently. *Divergent Witchcraft* is a revolution in self-help and spiritual practice.

- Written with ADHD, autism, anxiety, and other forms of divergence in mind, this book offers easily digestible teachings designed for unique ways of learning.
- Experience "spiritual witchcraft," a modern blend of Wicca, New Age practices, and self-healing that goes beyond tradition and into personal empowerment.
- Learn tools for healing and protection, including spellcasting, manifesting, chakra work, and new moon rituals made easy and adaptable for every type of practitioner.

About the Author(s)

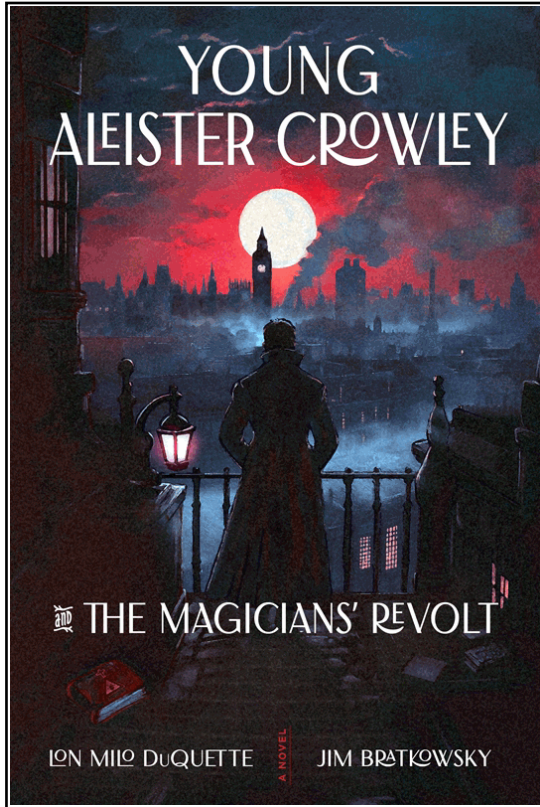

Jenny C. Bell is a spiritual witch whose modern-day, mindful approach to practicing witchcraft and healing is highly sought after by thousands of students. Her witchcraft and spirituality classes on Udemy have acquired over five thousand enrollments. She is a published meditation teacher on the Insight Timer app as well as a published writer on the Saged app and in *Witches* magazine.

Jenny is a certified Reiki Master and is certified from Kyle Gray in angel card reading. A meditation teacher, self-healer, and lover of crystals, Jenny uses her years of wisdom to champion others on their healing journey. Jenny considers her neurodivergence to be a gift in her ability to heal herself and others. For thirteen years, she taught middle and high school English with a specialty in differentiation and inclusivity.

Young Aleister Crowley and the Magicians' Revolt

A novel

Lon Milo DuQuette and Jim Bratkowsky

Word Count: 40,000

Price: 16.95

Pages: 176

First Pages: 10/06/25

Trim Size: 5.25 x 8.5

Format: Trade Paper

Final Files: 04/17/26

Rights Information

Key Selling Points

- Historical fiction using Crowley and other contemporary personalities of the era as characters
- The story is centered on the Golden Dawn, a secret society devoted to the study and practice of occult Hermeticism and metaphysics during the late 19th and early 20th centuries
- Lon Milo DuQuette is a beloved figure in occult circles and known for his work related to Crowley and the OTO

Description

Step into the occult underworld of Edwardian London with Aleister Crowley, a rebellious genius and aspiring magician, as he plunges into the secret society of the Golden Dawn.

The year is 1900, and Aleister Crowley, world-class mountaineer and acclaimed poet, plunges into the secret society of the Golden Dawn. He unwittingly arrives on the scene amidst a power struggle as formidable magicians revolt against their leaders, MacGregor Mathers and his wife, Moina Mathers.

Empowered by an ancient Arabic grimoire, the Mathers claimed contact with "Secret Masters," but now their influence is waning. As historical figures like William Butler Yeats and Bram Stoker populate the ranks, Crowley finds himself caught in a magical crossfire. His naive pursuit of enlightenment accidentally ignites an all-out wizard war with magical attacks recoiling upon his adversaries. Yet, aided by unseen forces, Crowley uncovers the interdimensional secrets of the ancient book, unleashing its power himself. This epic adventure culminates in a climactic magical showdown, where Crowley's self-realization becomes his ultimate weapon.

About the Author(s)

Lon Milo DuQuette is a bestselling author who lectures worldwide on such topics as magick, tarot, and the Western mystery traditions. He is currently the US Deputy Grand Master of Ordo Templi Orientis and is on the faculty of the Omega Institute in Rhinebeck, New York, and the Maybe Logic Academy. His books include *The Tarot Architect*, *The Magick of Aleister Crowley*, *Understanding Aleister Crowley's Thoth Tarot*, and *The Chicken Qabalah*. Visit him at londuquette.com.

Jim Bratkowsky is executive vice president of American Media Group and has over twenty-five years of experience in writing for television.

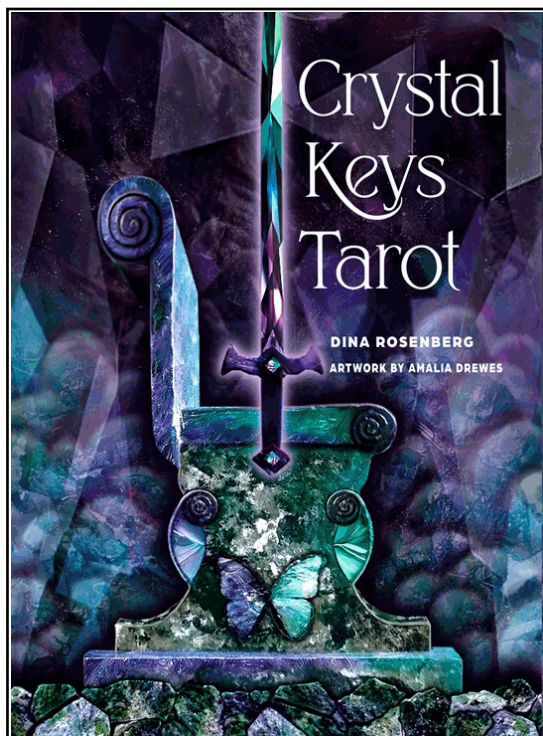

Crystal Keys Tarot

(78 Cards and 176-Page Full-Color Guidebook)

Blending traditional tarot and the energetic power of crystals

Dina Rosenberg

Illustrated by Amalia Drewes

Word Count: 32,750

Illustrations: 78 full-color tarot cards Translation

Price: 29.95

Pages: 176

First Pages: 07/25/25

Trim Size: 5.5 x 7.5

Format: Card Deck

Final Files: 09/30/25

Rights Information

Key Selling Points

- Blends the systems of tarot and crystals in a completely new and intuitive way
- Unique in that it combines crystal work with tarot with original artwork that is based on the Rider-Waite deck
- Offers a way to connect a tarot card to a crystal without always having the physical stone in hand
- Cards feature the card name, associated number, and stone type

Description

Deepen and enhance personal insight with this stunning deck that fuses traditional tarot wisdom with the transformative energy and power of crystals.

Anchored in the tradition of the Rider-Waite tarot deck, *Crystal Keys Tarot* pairs the symbolism of the cards with the colorful imagery of powerful crystals from all over the world. Each card echoes the energy, aura, and texture of a crystal that has been specifically matched to the card's archetype and imagery. A tarot reader can now learn about the metaphysical properties of a variety of crystals, while those interested in crystal healing can use their relationship with precious stones to learn the ways of all seventy-eight cards.

By combining tarot and crystals, you can better comprehend the archetypes of each card and discover something new. If you're a crystal person, you'll understand why a specific crystal is assigned to a particular card, which will help you ascertain the meaning of the cards. And if you're not a fully devoted crystal person, you will be after you start working with this deck.

About the Author(s)

Dina Rosenberg is the co-owner of [Amityville Apothecary](#), nestled in the charming village of Amityville on Long Island, New York. The shop offers a thoughtfully curated selection of metaphysical products and experiences—ranging from crystals, meditation tools, and ritual supplies to tarot and oracle readings, classes, and transformative events. A seasoned tarot reader with nearly thirty years of experience, Dina shares her wisdom with a loyal community. Connect with Dina [@amityvilleapothecary](#) on [TikTok](#), [Instagram](#), and [YouTube](#).

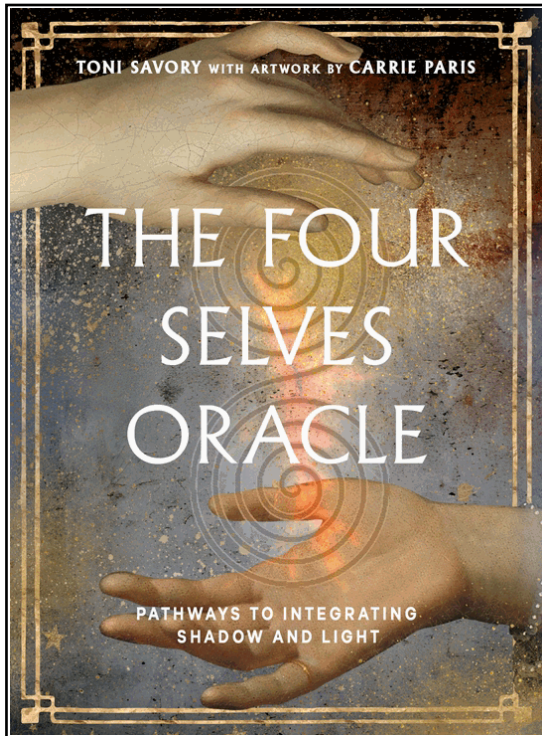

Amalia Drewes is an interdisciplinary artist and illustrator deeply inspired by the natural world, divine femininity, and spiritual oneness. Amalia graduated from Parsons School of Design with a BFA in illustration. She is a storyteller of traditional myths and legends, as well as a dedicated teacher of art and meditation. She founded her own business, Visual Remedies, to support individuals during times of grief and loss through the transformative healing powers of art and nature combined.

The Four Selves Oracle

Pathways to Integrating Shadow and Light (36 Full-Color Cards and 160-Page Full-Color Guidebook)

Toni Savory, founder of World Divination Association

Illustrated by Carrie Paris

Key Selling Points

- For readers interested in raising consciousness, deep soul remembering, and those working on vibrational resonance
- Invites you to look deeper into the aspects of yourself that are affecting your ability to work at a superconscious/divine level
- Learn to understand yourself on four levels: the physical self, the conscious self, the subconscious self, the superconscious self

Description

A beautiful thirty-six-card deck designed to be used for higher-self healing and growth

Throughout our day-to-day lives we experience a wide range of thoughts and emotions: Stress over deadlines at work, worrying about exams or a loved one's health, and money issues are all triggers that prevent us from truly living in the moment. Connecting to our highest self gives us perspective; we gain insight and ideas, otherwise known as "divine inspiration." This connection is only possible when we open up to the potential of *all* without the fear of *any*. The superconscious self (higher self / connection to the divine) can only speak to us through our emotional and conscious selves; if these are blocked or triggered in any way, clear messages cannot be attained.

With beautiful illustrations by Carrie Paris, *The Four Selves Oracle* will help you to see where you are on a conscious level, but also on a subconscious level. The thirty-six cards include sixteen "shadow" cards, sixteen "light" cards, and four "neutral" cards. Each card—such as Vortex, Moon, Mirror, Blitz, Garden, Portal, Self, Infinity, Shadow Self, and Door—has a description that contains its meaning and how it works both positively and negatively in the subconscious and the conscious. The spreads included offer a clear system for reading the cards to see shadow aspects, light aspects, and pathways to find balance.

Word Count: 30,000

Toni Savory (@thecardgeek) is the founder of the World Divination Association. She is the author of *Siren's Song Oracle* and *The Card Geek's Guide to Kipper Cards*.

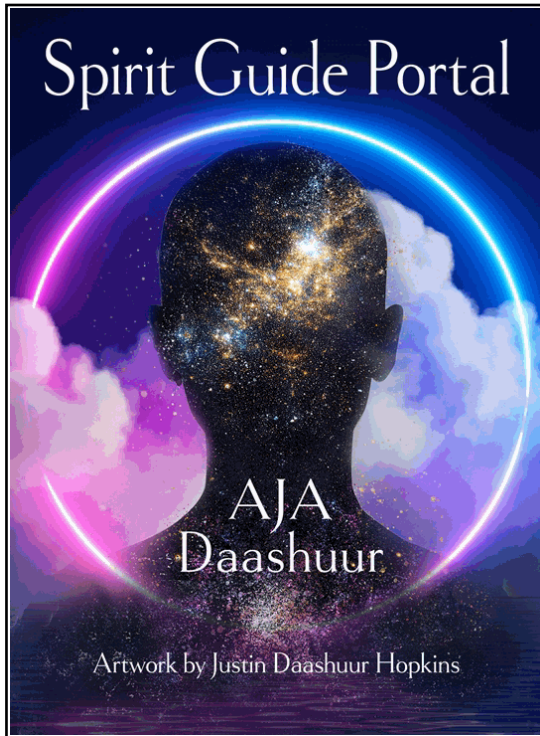

Carrie Paris has a passion for divination and ancient ceremonial rites that invoke the spirit of divining communities. Carrie is the author of *The Relative Tarot*, *The Beloved Dead* oracle, *The Sirens' Song* Lenormand and Kipper card set, and coauthor of *The Ofrenda Oracle* with Nancy Hendrickson and *The Lenormand Revolution* deck with Roz Foster. Carrie offers classes and divination services to clients in the US, Asia, and Europe.

Spirit Guide Portal

Your Oracle to Access Higher Wisdom (40 Cards & 112-Page Full-Color Guidebook)

AJA Daashuur

Illustrated by Justin Daashuur Hopkins

Word Count: 12,500

Illustrations: 40 full-color illustrations

Price: 32.95

Pages: 112

First Pages: 07/10/25

Trim Size: 5.5 x 7.5

Format: Card Deck

Final Files: 08/26/25

Rights Information

Key Selling Points

- Offers a unique opportunity to deepen personal growth and self-understanding with the assistance of your spiritual guides
- Each card features rich and diverse artwork, reflecting the inclusive ethos of its creators and serving as a visual testament to the universal nature of spirit communication
- Individuals can discover their strengths, challenges, and life paths that may not be apparent through conventional introspection

Description

Renowned medium AJA Daashuur invites you to see your spirit guides and hear the powerful healing messages and memories they have to offer. Learn how to activate and strengthen your connection with the magic of your guides, utilize their knowledge to expand your psychic abilities, and realign your intuition.

Meticulously crafted to open the channels of communication between individuals and their spirit guides, each card in this mystical forty-card deck features a specific archetype that represents the ways we relate to behavior, patterns, and narratives. *Spirit Guide Portal* is an invitation to finally see your spirit guides and hear the powerful healing messages they have to offer. Profound messages encapsulated in each card lead readers toward a deeper understanding of the spiritual realms. When we can see ourselves in specific archetypes, we begin to understand ourselves on a deeper level. Each oracle card offers guidance in three ways: “I Am,” “I Offer,” and “I Ask.”

Spirit Guide Portal will help you tap into your innate intuitive abilities, facilitate a more tangible, meaningful experience of your spiritual guidance system, connect the bridge between the physical and spiritual realms, and empower you to embrace your spiritual journey with confidence, clarity, and a sense of purpose.

About the Author(s)

AJA Daashuur is a psychic, medium, and spiritual counselor who specializes in connecting you with the guidance and wisdom of your unique spiritual team. As a renowned WOC medium, AJA has conducted over five hundred workshops and retreats across the country. She is a contributing author to *Confluence of Witches* and has been featured in *Vogue*, *NPR*, *Well+Good*, the *Los Angeles Times*, *Yoga Journal*, and *The Cut*.

Justin Daashuur Hopkins is a talented artist and award-winning director. He cofounded NOH/WAVE, an art agency and production company that boasts a captivating gallery space in downtown Los Angeles. He has become highly sought after as a director of film and mixed media videos. Notable clients such as Universal, RCA, Warner Brothers, Atlantic, Def Jam, and Domino Records have trusted him to bring their visions to life.

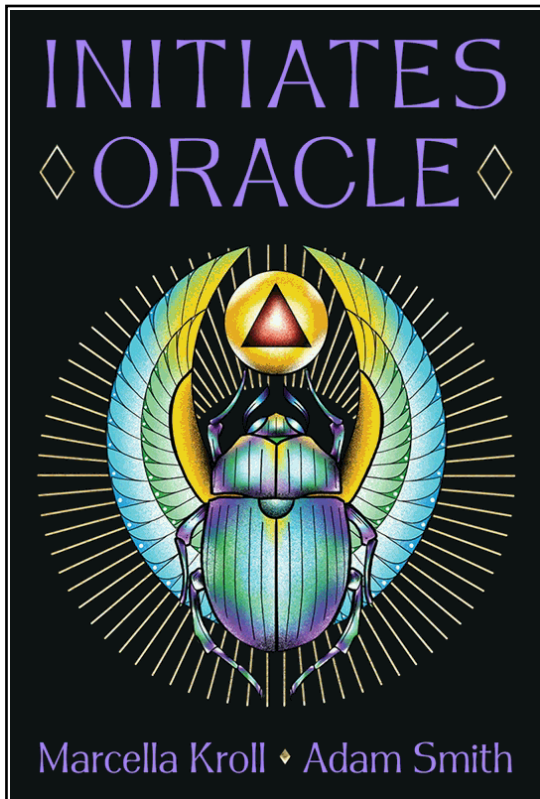

Initiates Oracle

Occult Hermetic- and Egyptian-Inspired Rituals for Profound Transformation (40 Full-Color Cards and 128-Page Guidebook)

A deck by magicians for magicians

Marcella Kroll, author of *Sacred Symbols Oracle Deck*

Illustrated by Adam Smith

Word Count: 12,000

Illustrations: 40 full-color, gilt-edge cards

Price: 24.95

Pages: 128

First Pages: 09/08/25

Trim Size: 3.5 x 5.5

Format: Card Deck

Final Files: 10/27/25

Rights Information

Key Selling Points

- Reconnects practitioners to the ancient magic at the heart of occult practice
- Offers messages for inspiration, growth, and healing
- Bold artwork with a unique visual take that encapsulates ancient symbolism
- Grounded and solid, making it accessible to novice readers but also enjoyable for the serious magi

Description

A captivating forty-card oracle deck and booklet infused with occult imagery and insights that provide healing and profound transformation.

The deck was born from an inspiring journey to Egypt where the author and illustrator participated in initiations of the sphinx with fellow magi. Initiates undergo a ritualistic initiation process involving symbolic tests and ceremonies that mark a transition to a higher spiritual state or deeper understanding of the divine. It is a process steeped in reverence and respect for making personal and collective offerings to the world. The deck is a gift designed to provide healing, support, and guidance along the magickal journey.

The artwork includes a rich tapestry of motifs and archetypes in vibrant colors designed to deepen your connection to the symbols on the cards. Each image distills key wisdom that resonates with the magickal path and creates an intrinsic link between the occult and the power of symbols that inform spiritual journeys.

The combination of distilled magickal symbolism and astute writing is designed to be accessible for both novice and seasoned practitioners alike. It is a tool that fosters a deep and meaningful connection, making spiritual practice understandable and applicable in everyday life.

About the Author(s)

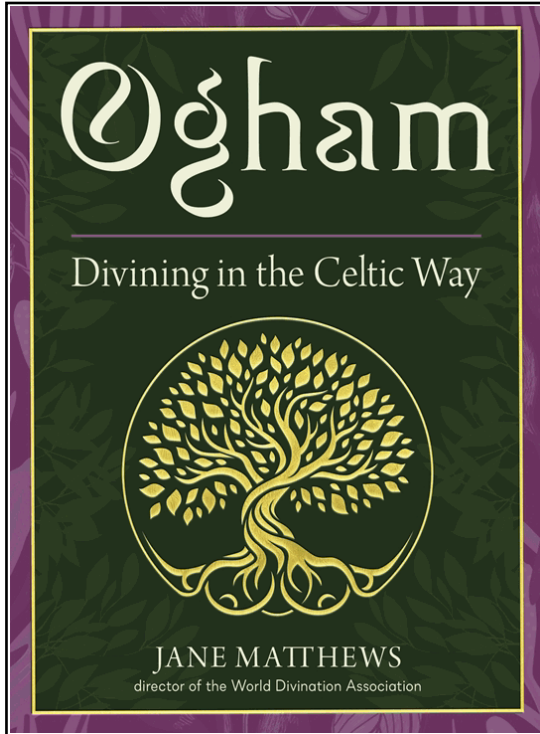

Marcella Kroll is an accomplished artist and professional priestess. She conducts private spiritual sessions, teaches classes, performs public rituals, and is the creator of several well-regarded decks, including the *Sacred Symbols Oracle* and the *Dreamers Tarot*. Her work emphasizes the importance of spiritual tools that promote growth and healing. Visit her on Instagram [@marcellakroll](https://www.instagram.com/marcellakroll).

Adam Smith brings three decades of occult practice and over fifteen years of tattoo artistry to the project. He is the creator of the self-published *The Hidden Veil Tarot*.

Ogham

Divining in the Celtic Way (25-Card Deck and 192-Page Guidebook)

Jane Matthews, director of the World Divination Association

Word Count: 26,200

Illustrations: 25 cards, plus spreads and diagrams

Price: 24.95

Trim Size: 4 x 5.5

Pages: 192

Format: Card Deck

First Pages: 07/18/25

Final Files: 08/26/25

Rights Information

Key Selling Points

- Ogham is an ancient divination system, similar to runes
- Matthews offers guidance that makes Ogham illuminating and accessible
- Offers readers insight and provides answers to everyday questions

Description

A card deck and guidebook devoted to Ogham, a Celtic divination system based on the earliest form of Irish writing.

The earliest known alphabet in Ireland, called Ogham, is the basis for a divination system also known as Ogham, which has strong links with traditional Celtic spiritual beliefs and the Celtic understanding of the universe. The Ogham divination system places each of us at the center of our own personal universe and helps us to understand our place within that, as well as anything and everything that is part of that universe. Any questions regarding past, present, and future can all be answered, as *Ogham* takes us on a journey of self-exploration, enabling us to gain insights about the world around us including our part within it.

Author Jane Matthews teaches certification classes in Ogham, as well as in the runic Elder Futhark. She has created this twenty-five-card deck with the accompanying guidebook to make Ogham illuminating, accessible, and modern.

About the Author(s)

Jane Matthews is a director of the World Divination Association, an award-winning reader of Elder Futhark Runes, as well as a teacher of modalities such as runes, Ogham, tarot, and mediumship. She is the creator of *Sigils: A Tool for Manifesting and Empowerment*, a deck and accompanying book. Jane has appeared at Readers Studio and will present at the 2026 Western Australia Tarot Conference. Visit her online at janemattthewsmediumship.com.
